

To Parents or Guardians of Students Assigned to Barwell Elementary:

In May 2009, you were notified that Barwell Elementary will continue in Title I School Improvement since a school must meet AYP goals for two years in a row to exit School Improvement. Therefore, Barwell Elementary is required to offer every student the option to enroll in another school. Your NCLB choice options for the 2009-10 school year are as follows:

1. East Garner Elementary
2. Swift Creek Elementary

Choice options are limited based on eligible schools, program availability, and transportation patterns. You may view the 2007-08 North Carolina school report cards for the receiving schools, as well as Barwell Elementary at <http://disag.ncpublicschools.org/>. You may submit your request for your Choice options at <http://wwwgis2.wcpss.net/prod/nclb.html> beginning on June 29, 2009. Each family at Barwell Elementary will receive a letter with more detailed information.
