Wake County Public Schools

PO Box 28041

Ref: "Lost Colony"

Dear Dr. Burns,

We have appreciated the opportunity to work with Wake County Public Schools in recent years providing educational opportunities to the, Wake County students identified as the "Lost Colony." It is important that all North Carolina school districts work cooperatively whenever possible for the benefit of students. The time has come, however, for Granville County Schools to make a change; costs have become prohibitive.

Pursuant to the student assignment agreement between the Wake County Board of Education and the Granville County Board of Education, please consider this letter to be official notice that Granville County Schools will no longer be able to provide access to our schools for the "Lost Colony." Per agreement, we are providing this notice in January to become effective the end of this (2008-09) academic year.

Thank you again for this opportunity to work with Wake County Public Schools.

Sincerely,

*Leonard Peace*
