

## Membership Trends

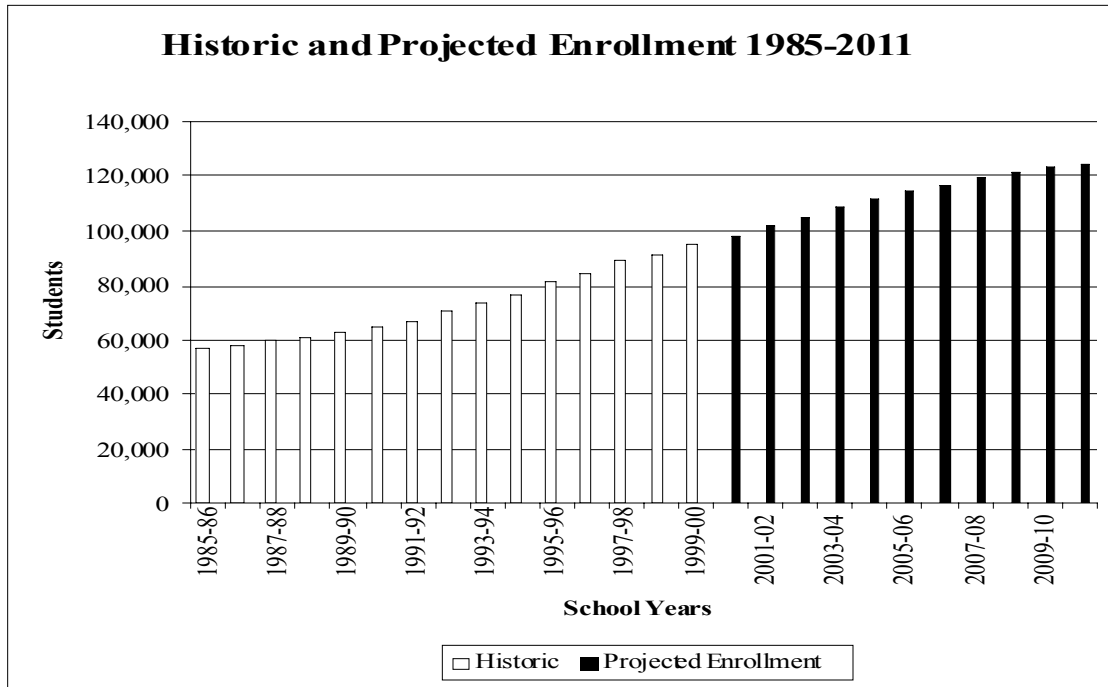

Student membership projections from NC Department of Public Instruction total 98,254 students (excluding 1,800 students currently enrolled in charter schools). This reflects an increase of 3,472 students or 4 percent. We project we will lose 600 additional students to charter schools. Therefore, our net increase in students for 2000-2001 would be 2,872 students or 3 percent.
