### Language arts and math teachers have initialed their recommendations on the reverse side.

All students must take Language Arts, Mathematics, Science, Social Studies, and Healthful Living/Physical Education. In addition, students may choose electives. If a student chooses Band or Strings, no other choices are necessary. If Band or Strings are not chosen, mark the semester electives in priority order (1 is the first choice, 4 is the last choice).

**The final determination of elective courses will depend upon the student interest and staff availability.**

**YEAR LONG ELECTIVES:**

Beginning Band

\*\*All students are required to pass a state-mandated computer competency test to receive a high school diploma. The test is first given in the 8th grade. Required competencies are addressed through core curriculum as well as through the Keyboarding/Computer Literacy elective. All 6th graders are encouraged to take the Keyboarding elective.

*We have reviewed the teachers' recommendations for Math and Language Arts and indicated our choices for electives. We understand we will be contacted if this recommendation changes due to EOG results and 4th quarter grades. We understand that we may not receive our first two elective choices due to insufficient enrollment or a schedule conflict.*
