- For the 2011-12 school year, students will take 2 semester electives or 1 yearlong elective (band or chorus). Read the [Middle School Program Planning Guide](#) for a full explanation of all electives. This guide can be found on line by visiting the West Lake web page, <http://westlakems.wcpss.net>, selecting the guidance blackboard site, and clicking the registration button.
- Students may choose from the elective classes listed below. **Students should select 1 yearlong elective or semester elective choices in order of preference.**
 - To select a yearlong elective, place a check mark beside your choice.
 - To select semester electives, number your semester choices in order of preference omitting courses previously taken. (i.e. 1 – highest choice, 2 – second choice, continue this pattern for all courses not previously taken.)
 - Note: Students may not choose an elective they have already taken with the exception of Band and Chorus.
