Testing Reminders

EOG testing is May 26 & 27 for all 3rd – 5th graders. The 5th graders will also be taking the Science EOG on June 1. Because the testing schedule affects so many areas of the school, and we do our best to provide quiet testing areas, there will be **no** lunch visits for any student **Kindergarten-5th** grade from May 27-June 1. If make-up testing goes beyond June 1, we will have to extend this “no lunch visit” time frame. Also be reminded that 3rd – 5th grade students should not be checked out any earlier than 1:00 on Friday, May 27 so they can complete their test. No calls will be made to 3rd -5th classes during the testing period. Thank you for your help in this matter!

CHIP IN FOR LACY... IS BACK!

Kids and families start saving your pennies, because every penny counts! Chip in for Lacy will be held Monday, May 16th - Thursday, May 19th and all donations will support the Lacy Foundation. This is an awesome event that every single student at Lacy can participate in to help the Lacy Foundation. Each morning students will take change to their homeroom teacher and place it in an envelope. The envelopes will be collected at the very beginning of school by Lacy Foundation volunteers. The amount that each classroom raises will be tracked, and the three classrooms that raise the most money will be receiving some special prizes! So please find those change jars at home or grab those quarters out of your car and get ready because Chip in for Lacy is an EASY and GREAT way to support the Lacy Foundation! Every Student Counts, Every Gift Counts!!!! Please email Missy Boyd at melissakat@hotmail.com with any questions and THANK YOU for supporting the Lacy Foundation!
