

This is A.J. Muttillo, principal of Leesville Road High School, with an important message for 9th grade families regarding opening events occurring at school this week. A copy of this message is posted on our website and will be emailed and text messaged for families who have set up their accounts and for whom we have correct contact information.

Tomorrow, August 23, we will host Pride Launch, our freshman orientation program. In addition to 9th graders, students new to Leesville are welcome to attend. Registration for all participants is from 7:30-8:15. A parent informational session in the auditorium will take place at the same time students are participating in their activities. Pride Launch presentations will end at 10:00, when you will have time to tour the school and locate your student's classes. **It is very important to the flow of this event that all parents and students park in the student parking lot behind the school adjacent to the football and baseball stadiums. It will be your first left when you turn onto O'Neal Rd. from Leesville Rd.** We will have students and faculty in place to help direct you to the appropriate parking lot. PowerSchool parent access transfers with you from WCPSS middle schools. **If you did not establish a PowerSchool parent account when your student was in middle school, bring a photo ID tomorrow and we will provide you with access on the spot.**

Our Open House and Meet the Teacher Night for all students will be this Thursday August 24th. There is an opening session in the gym at 6:00. Beginning at 6:30, you will follow your student's class schedule. You will visit each classroom for 15 minutes, where you will receive important curriculum and procedural information from each teacher. The open house will end just before 8:00. An agenda is posted on our website. It will be helpful for you to know your child's 1st period teacher and room number. You will receive a schedule in 1st period with the rest of your child's classes.

We look forward to seeing you soon. Thank you.
