Inclement Weather Make-up Days

As a result of recent school cancellations due to inclement weather, students will now attend a full day of school on Monday, February 15 and Thursday, March 24.

Registration Information Opportunities

For Current 9th - 11th Grade Parents:

PTSA will host a Principal's Chat for 2016-17 course registration for current parents of 9th -11th grade students on February 4, 6:00 - 7:00 p.m. in the auditorium. Assistant Principal of Instruction Jo Ellen Newhouse and Dean of Students Eric Greene will share important information and answer questions about registering for courses for next year.

Current 9-11th grade students and their parents interested in learning more about AP Course Offerings are invited to attend an Open House on February 8, 5:45 - 6:25. Those interested should report to the 2nd floor of Main Building where AP teachers will provide information sessions.

For Rising 9th Grade Parents:

Parents of Rising 9th Grade Students are invited to attend an Open House on February 8 to hear from core and elective teachers about course offerings for next year. Optional tours will leave from the cafeteria beginning at 5:45. A general session will be held in the gymnasium at 6:20. Due to seating limitations, the night is intended for parents only. Open House will conclude at 8:00 pm.

“Ticket to Play” and Tryouts for Spring Sports

Tryouts for spring sports will begin on February 15 (specific times and locations will be communicated closer to tryouts). “Ticket to Play” for spring sports will be held in room 1301 during lunches from Monday, February 1 through Wednesday, February 3. In order for students to try out for athletic teams, they must have a “Ticket to Play” to ensure proper eligibility. Prior to receiving a ticket to play, athletes must complete all nine pages of the WCPSS/LRHS Athletic Participation Forms. The packet can be accessed at <http://bit.ly/1L8AMb2> or through our website under athletics > athletics participation packet. Part of this packet requires all athletes to have a completed physical exam form. The physical exam must be current within one year of tryouts and athletic participation. Completed packets should be submitted to Ms. Ennis or dropped off in the front office prior to Monday, February 1. **Athletes without a ticket to play will not be able to try out for a sports team.** If you have questions, Mr. Jack Rogers, Athletic Director, can be contacted at jrogers@wcpss.net.

Student Services Updates

A new class rank will be done on February 3. You will need to request transcripts after this date.

If seniors need to send a midyear transcript to any college or university, they will need to complete a Release of Records form. This form can be found on the school's website under forms or picked up in the Student Services Office. Once complete, they should submit the request form to student services, and an updated transcript will be mailed. Seniors should not use CFNC or the online SCRIB program for midyear requests.

Counselors will begin meeting with students on February 16 to start the class registration process for the 2016-2017 school year. Students will receive an updated transcript, a graduation credit check sheet and a class list along with other pertinent information.

Juniors will bring this information home in a green folder, sophomores in a red folder and freshmen in a yellow folder. Please talk with your student about the information in their folder. If you then have questions, please email your student's assigned counselor.

Detailed information about the registration process will be posted to the Student Services website within the next two weeks.
