July 10, 2015

Dear Leesville Road High School Students and Parents:

I hope that all of you are having a restful and relaxing summer. Preparations for the upcoming 2015-2016 school year are well underway, and we are looking forward to an outstanding year.

The purpose of this communication is to help facilitate a smooth opening of school on August 24 for our students. This packet includes important information for the start of the 2015-2016 school year. Students will also receive information specific to their grade levels. Freshmen will receive information pertaining to Freshman Orientation. Sophomores will receive their student parking form. Juniors and Seniors will receive both a student parking form and off-campus lunch form. Please read all forms carefully and note that all fines and fees must be paid prior to obtaining an off-campus lunch or parking pass. This entire packet is posted on the school's website at www.leesville.org.

In addition to the information contained in the remainder of these documents, I wanted to bring to your attention a few important updates. We will continue to utilize SMART Lunch as a structure to combine lunch with opportunities for students to receive help from teachers, utilize the media center, and participate in clubs and intramurals. In order to continue to utilize SMART Lunch, we need to see more students attending teacher tutorials on a consistent basis. We will clarify expectations with students once the year begins and attempt to increase incentives for students to attend tutorials. Please help us by talking with your child about the importance of using SMART Lunch for more than an extended lunch period. We have shortened SMART Lunch by four minutes and added that time back into classes. An updated copy of our bell schedule is posted on our website for your planning purposes. Also, the way in which students access HomeBase/PowerSchool has changed. The links on our website are still active, but as of July 6, 2015 students must first create a new login through NCEdCloud. Students need their Student ID Number to begin the process. Part of this process will ask students to answer five security questions that will be used if they forget their username or password. Please encourage your child to keep these answers in a safe place. Instructions for students to claim their NCEdCloud account are included in this email.

We will host our fall Meet the Teacher Open House on August 20 from 6:00 p.m. to 8:00 p.m. The evening will begin with a general information session in the gymnasium, and then parents will be given the opportunity to follow their child's schedule and learn about specific class curriculum and procedures. In order to have enough space in the classrooms for parents, students should not attend. They will hear this information at Freshmen Orientation or when school begins. If you are unable to attend the Open House, all information will be distributed on the first day of school.

Families will receive a second summer email during the first week of August that will include information on accessing class schedules, drop/add procedures, and information from parent groups.

I look forward to working with all of you during the 2015-2016 school year.

Warm regards,

A.J. Muttillio

Please note that changes will not be granted to accommodate teacher changes. Also, changes will not be made because a student "changed his/her mind" since staffing decisions have been made based on students' course selections during spring registration.
