

W E L C O M E T O

Every day, bring a pencil to art class. You will also need a pocket folder, hand-held pencil sharpener, bar eraser, glue sticks, ruler, pair of scissors, colored pencils and one pack of laser print paper.

art

You as a visual art student are invaluable to our school! The time and talent our art students contribute to their elective art projects is evident when you walk through our lobby and into our halls. Lufkin students promote the arts in our community, by serving as a member of our art club, or by representing our school in exhibits, contests, and festivals -- local, regional or statewide.

For more information about the visual arts here at Lufkin, please visit our link on the LRMS website: [students/clubs/Art Club](#). There you may view some of our student projects, school art exhibits, Art Club details and upcoming events. Something exciting is always going on in our art program.

Please support the Arts!

Thank you so much for considering donating any of the following:

*Magazines
Styrofoam egg cartons
Newspapers
Cereal boxes
Hand wipes
Watercolor sets
Colored pencils
Masking tape
Unlined paper
Water-based paints (primer, mismatched or leftover gallons)
Paint brushes or rollers*
