

# Monthly Bulldog Newsletter

## CARPOOL

Thank you for using your carpool tags each day. We sent the remaining carpool tags home with students. If you need one or an additional sign, please see Mrs. Morin.

Reminder: Students are not to be dismissed from the cafeteria but from the carpool line for safety reasons.

## Visitors on Campus

We now have electronic locks on all of our exterior doors. If you are coming to have lunch with your child, please wait in the visitor waiting area as the exterior doors are locked.

All visitors must sign in and wear a yellow visitor tag when in the building.

## Briarcliff Highlights:

### Principal Message

Our first week of school went smoothly and we are looking forward to seeing all of our Kindergarten students on Tuesday. Join us for the New Parent Welcome in the Media Center at 8:30.

Curriculum Night is on September 14th from 5:00-7:00. The evening will begin with a PTA meeting to approve the budget as well as an overview of the evening. Teachers will discuss what your children will be learning as well as how you can be involved in your child's education.

If you have not registered to be a Volunteer, it is not too late. We will have the Computer Lab open at Curriculum Night. You must re-register each year by October 31st.

We have special sessions this year for ESL families and an AIG Information.

Our volunteers are required to attend a Volunteer Orientation before they can begin to volunteer. The first session will be held on September 14th at 8:30. We will hold additional sessions in October.

We are looking forward to a wonderful year partnering with our families at Briarcliff.

Stephanie Raiford, Principal

# Curriculum Night
