

July 17, 2017

Hello Falcon Families,

This is Nanette Lavery, Principal at North Forest Pines Elementary.

As our first week quickly past I can't tell you how pleased I am with the start of the 2017-2018 school year. The students were ready to come to school and began the new year ready to learn and to grow academically, socially and behaviorally. I want to commend our entire staff for their hard work, preparation and commitment to kicking off the new school year with great success. Thank you also to our families for honoring the arrival times and having your children here on time each day ready to learn.

Please welcome our new receptionist Mrs. Allyson Adams to our North Forest Pines Community! Mrs. Adams is joining us following the retirement of Ms. Wilson. As she is learning the many faces in our community, please remember to have ID when coming into school. If you have someone on the approved list picking up your child, please remind them to have ID as well. Thank you in advance for helping her make certain to keep our children safe.

We are excited all our newest Falcons will be in the building this week. As a school community we are asking everyone to support their learning as they begin their Color Days. Help us support our Littlest Falcons by having your child wear blue tomorrow. Your child's teacher will send the rest of the colors home for the remainder of the week. This is just one way we can be a community of learners!

Just a reminder...If you were a volunteer last year, please come in and register again. Mrs. Anderson has computers in the Media Center for you to complete your registration. You will need your driver's license.

Until next time...  
Keep SOARing
