

# 6<sup>th</sup> Grade Myrtle Beach Trip – February 23, 2018

Time to get ready for the trip of a Lifetime! The 6<sup>th</sup> Grade of West Millbrook Middle School will be taking a journey to experience **WonderWorks**, **Medieval Times**, and **Ripley's Aquarium**. At **Medieval Times**, students will be transformed and taken back to a period in history of grandeur and opulence where Knights, Kings, Queens, and Nobles knew the lay of the land. Students will surrender to an age of bravery and honor and witness epic battles of steel and steed. From ringside seats, the students will discover a rousing live jousting tournament, marvel at awe-inspiring horsemanship and falconry, while being served a four-course meal fit for royalty. Next, **Ripley's Aquarium** offers a varied selection of programs designed to meet the curriculum standards set forth by state and national educators in the areas of science, math, social studies, and english. Students will find themselves immersed in a watery world of sharks, rays, colorful tropical fish, and incredible hands-on learning experiences. Finally, **Wonder Works** is an interactive attraction combining education and entertainment! Wonder Works features over 100 hands on exhibits that will spark the imagination and challenge the mind. As a school team, we will strive to ensure that the experiences provided will be an extension of what is learned in the classroom, and to provide students with a deeper understanding of why it is important to protect and conserve our ocean's environment.
