

Before School Care

The Before School Care program at Ballentine Elementary school is available M-F from 7:00-8:45. The cost is \$96.25 per month. The children get daily time to play active games in the gym. They also rotate through other activities such as board games, puzzles, LEGOs, computers, etc. This program also helps social development as the children interact and build relationships with each other.

Before School Registration Date

Date: May 13th

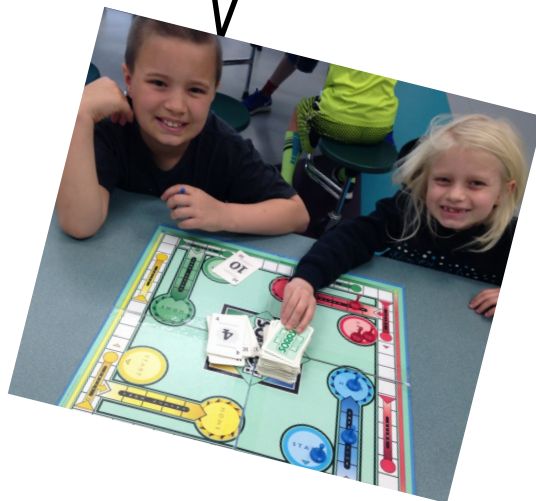

Time: 7 am

Registration Fee: \$15.00

Mother of a fifth grader who has been in Before School since kindergarten: "Before School Care is one of the best things about Ballentine. The teachers are so cheerful and welcoming. It improves relationships with the teachers, even ones he never had. I know that my son is safe and well taken care of."

"I like being able to see my friends, and I like seeing the Before School Care teachers. I get to wake up and get my energy out, so it actually helps my teacher too."

"It's horrible when we miss Before School Care! My favorite day is Thursday because we get to play with LEGOs. It's tradition to be here. I even want to come on Saturday."
