

Dear Jeffreys Grove Families,

On Friday, April 29 Jeffreys Grove will be hosting our annual **Global Festival**.

We are very excited about this annual event, and we would love to invite you to participate! The **Global Festival** will be a fun evening during which you will

have the opportunity to “travel the world” with your children, getting a passport stamped as you view student work and experience performances and displays from around the world. The **Global Festival** is part of Global Spirit Week, which involves fun and educational activities during the school week. Keep an eye out for more information about Global Spirit Week!

In addition to attending the **Global Festival**, however, we would like to invite families to be involved in a more active way. While we will be working with resources from the Triangle Area and beyond, we know that there is a wealth of experience and information right here in our own JGMES community! If your family would like to take part in the **Global Festival** as a “Cultural Resource”, please fill out the form below. We are looking for entertainment (this could be for the whole group or small groups), interactive cultural activities, or educational experiences. Specific examples of these things would include Irish or African dance, henna, or country/culture specific crafts such as Aboriginal painting. It will, of course, depend on your ideas. Also, if you have any connections to organizations or groups that might like to come in, please let us know.

We are really looking forward to the **Global Festival**, and we know that with your support it’s going to be a wonderful evening for everyone!

Please use our digital form which is found at:

<http://bit.ly/JGCultural>

Please complete the form by Friday, April 7, 2017

If you have further questions, please contact Mrs. Vinal - bvinal@wcpss.net

or call 919-881-4910
