## EOG REMINDERS

End of Grade Testing Begins Tomorrow for 3rd-5th Graders- Reading Test at 9:15AM.

- 3rd-5th graders need to arrive on time- late arrivals will not be able to begin testing and will have to participate in make up testing
- Free breakfast for all 3rd-5th graders will be available in the cafeteria- please arrive by 9am to participate
- 3rd-5th graders may have a water bottle under their seats for use during testing breaks and a book to read if they finish early- the regular testing window is 180 minutes, however, students may take up to 240 minutes to complete testing. Students not finished after 180 minutes will be given a supervised lunch break and then be allowed to continue working for up to 240 minutes.

No Visitors for Lunch on any EOG test day- K-2 students will be eating in the classrooms and 3rd-5th will eat when all testing is completed.

We appreciate your cooperation during these three days of testing- 5/26, 5/30 and 5/31!

There is no school on Monday, May 29th in recognition of Memorial Day. We will continue End of Grade Testing on Tuesday, May 30th.

Thanks

Barry Richburg, Principal
