

## **Attention Moore Square Parents:**

We are excited to invite you to hear the nationally acclaimed speaker [Reggie Dabbs](#) at our very own Moore Square Magnet Middle School next *Monday, September 19th at 5:30*. You won't be sorry...just ask your child!

Reggie Dabbs has been speaking to students in public schools for 22 years. He states that "Today's generation is facing unparalleled hurts, pressures and choices. If we can heal those hurts, help in times of pressure and equip students in their choices, we will have better students and a positive school atmosphere." He shares with students often, "You can't change your past, but you can change your future. With all that students are facing, we must give them hope. "

After Reggie inspires and uplifts our students on Wednesday, September 14th at a school wide assembly, we encourage you as parents and community members to come hear him speak to you all and give you tips, tools and resources to help you encourage your child to learn, grow and achieve greatness!

Check it out for yourself at <http://reggiedabbsonline.com>. We look forward to seeing you on *Monday, September 19th at 5:30*.
