

Educational Tours

Dear Parents / Guardians,

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware and globally-minded. To be able to experience the global classroom first-hand and see what they have been studying in their classes come to life is life-changing and gives them new perspectives not only of themselves but also the world around them.

I'm pleased to announce a group of students and educators from our school will be participating in a global educational initiative that will visit **Italy and Greece in March of 2017**. We're going to experience such amazing places as the Colosseum, the ruins of Pompeii, and the Parthenon to name a few.

The invitation to travel with us is also extended to you as parents. There is limited space on the trip, so I do hope you and your child will be able to join us at the upcoming meeting to learn more about this opportunity!

We will be hosting an enrollment meeting on **Thursday, June 2nd at 6:00 pm** in the **Moore Square Museum Magnet Middle School Library**. I hope you will come and learn more!

Please fill out the Google form at: <http://goo.gl/forms/McruxqLSsiweNxxh1> or use the QR code below to indicate your interest and availability to attend the meeting.

Thank You!,
