## **Reminders About Driver Education**

- -Once the student has been accepted into a Driver Education class, the fee can be paid online at JordanDriving.com. From the home page, select "CLASS SCHEDULES & ONLINE PAYMENTS." Click on the type of class (ex. Public School After School Classes, etc), Click on School Location, Click on the "blue" Pay Here button, beside the class date/time(s) your student was assigned to. Once you have clicked the "Pay Here" button, you will be directed to the WCPSS online terminal. Follow the instructions given on the WCPSS payment terminal site to complete the payment.
- -Please understand that WCPSS High School locations are not prepared to collect fees and under no circumstances should you contact the school, principal, or bookkeeper attempting to pay a driver education fee. Jordan Driving School is contracted to WCPSS to provide Driver Education and is ultimately responsible for collecting fees.
- -Students must be at least 14 years 6 months by the first day of the class. We assign students to class based on age, oldest to youngest. In other words, if 50 students request the month of September as their first choice, the September class will first be offered to the oldest 35 students. There must be a minimum of 35 students paid on the first day of class or the class will be cancelled.
