Teacher & Student Email

WCPSS Staff Email

You will be issued a WCPSS email address. Note that currently this is the only email account you can use to communicate with students, parents, or while officially representing the school or WCPSS.

Passwords may be reset through the webmail interface, or by seeing Media staff.

Access WCPSS email at: http://webmail.wcpss.net

You can find support for WCPSS email at:
http://emailsupport.wcpss.net/

WCPSS Student Email

Sometime during 1st quarter each year, students are issued a WCPSS email account (The Media Specialist will issue these).

This should be the only email address students use to contact you electronically. WCPSS policy dictates that you may not reply to students emailing you from other addresses.

When using school-related apps and services, encourage students to create accounts using their WCPSS email name/address, to cut down on confusion.

Students access WCPSS email at:
http://webmail.students.wcpss.net/

You can find support for WCPSS student email at:
http://www2.wcpss.net/email/downloads/quickstart-guide-students.pdf

Media Specialists can reset student passwords.
