Welcome Magnet and New Farmington Woods Families!

It is my pleasure to welcome you all to the Farmington Woods IB/PYP Magnet Elementary School family as a new magnet student/family! Magnet and transfer notification days are always a very exciting day for families, but also for our school. We love our magnet program and are so excited to have families choose to join us in our work. Students at Farmington Woods IB/PYP are supported in becoming inquirers and thinkers but also in becoming internationally minded and developing a global awareness. We have skilled teachers, wonderful students and a supportive school community. In 2011, our school was named the Top Elementary Magnet School by Magnet Schools of America each year since has received recognition from the MSA. We are committed to continued excellence as we continue to further develop and implement our IB/PYP to best educate our students for the 21st Century.

We will be offering an additional magnet information session and tour this spring if you have not yet had an opportunity to learn about our IB/PYP magnet program or see our program in action in our classrooms. This session is scheduled for Thursday, April 28th at 9:45am. In addition, all new families are invited to join us for our New Family picnic on Tuesday, May 3rd from 5:30-7:30pm. We will socialize, tour the campus and have time for Q & A and to provide all kindergarten families with basic Kindergarten Orientation information. More information about this event will be sent closer to the date and will be posted on our school website: <http://fwes.wcpss.net>.

If you have any questions, please do not hesitate to contact us so that we can assist you in the transition to our school:
