

**FWES is Celebrating Veteran's in our School Family!**

**November 7th-16th**

**in honor of Veteran's Day 2016**

We will be creating a board in our front hall to recognize FWES Veterans. Please use the attached paper to add a picture of your family's Veteran (s) and a brief description of his/her work including FWES student or school connection, Military Branch, job description, Bases served, International Service, etc. Please also note if it is OK to share the photo on Twitter as part of a district wide celebration of Veterans.

Please do not send original pictures that are irreplaceable keepsakes, but make a color copy or a scan of your picture to include on our board.

Please send by November 4, 2016
