

Weekly Message 5/5/17

Testing Proctors needed! Please visit our website under the announcement section and sign up to volunteer!

- **Monday, 5/8/17:**
- **Teacher Appreciation Week**
- **Plant Sale (Botany Service Project).** Please support the Botany program and come by to purchase plants, flowers, and vegetables. If you are not able to volunteer, please come out & purchase flowers, herbs & vegetables during that week. Students can also fill your decorative containers with an herb garden or flowers of your choice - just bring your pot with you and they will do it while you wait - you only pay for the plants used. Get your spring containers done for you and support Carnage's stellar science programs at the same time! **ALL proceeds go to upkeep of the greenhouse and supplies to keep our program functioning at a level where students can have hand-on science and stewardship experiences.**

If you are available to volunteer during the plant sale, please visit the Carnage website and sign up under the announcement section.
