## BACK TO SCHOOL

### KINDERGARTEN STAGGERED ENTRY SCHEDULE

During the first week of school, August 29-September 1, 2016, each kindergarten student will attend school only one day. The staggered entry program will permit teachers to work with the children in smaller groups. It also provides an opportunity for your child to experience a full day at school in a less hectic environment. **After this first day, your child should not return to school until Tuesday, September 6th.** On Friday, September 2nd, classroom assignments will be posted at the front school entrance at 12:45 PM. **Kindergarten Meet the Teacher** will be held on Friday, September 2nd from 1:00 - 2:00 PM. Your child should bring any additional school supplies on Tuesday, September 6, 2016, to their assigned classroom.

Your child's assigned staggered entry day is:

		Last Names
Monday	August 29	A-D
Tuesday	August 30	E-K
Wednesday	August 31	L-R

Friday	September 2	<b>Meet the Teacher 1:00 - 2:00 PM</b>

**Note:** We want to make sure all kindergarten students arrive home safely; please inform teachers of how your child will return home from school, especially during the staggered entry. Please indicate whether your child will be a walker, car pooler, day care/van rider or attend the Farmington Woods After School Program. Parents should notify day cares of their child's staggered entry date so van drivers are not waiting for students unnecessarily.
