

At WYMLA ...
only 50 students per grade level!

At WYMLA ...
"We know your son."

Middle School, High School, and Early College!

At WYMLA, our Young Men are provided opportunities to make knowledgeable career choices through academic rigor and work-based learning experiences. Collaboration and partnership through our Business Alliance, Youth Chamber of Commerce, and community enhance our young men's career readiness experiences. Career assessments, career events, guest speakers, resume writing, practice interviews, networking workshops, job shadowing, and volunteer opportunities are integral aspects of our students' educational experience. Our Juniors and Seniors have an opportunity to earn early college credit through St. Augustine's University and may transfer these credits to a college or university of their choice to complete their Bachelor's degree.
