1. All students must clear all fees and fines prior to applying for a parking permit. Permits will not be issued to students with outstanding fines or fees to FVHS or any other school. Permits are issued at designated times established and announced by school administration. **Until students possess their assigned tag to display, they are not permitted to park on campus.**
2. **The parking fee established by the Wake County Board of Education for the school year is \$170.** Permits issued for less than the entire school year will be subject to a \$17 per month rate for each remaining whole or partial month. These fees are subject to change after the budget is finalized for the school year. Likewise, parking regulations are subject to change.
3. Parking permits will be available only to students who have a valid North Carolina Driver License.
4. All students who park a motor vehicle on the school campus must display the current hanging-tag permit. The tag must be hung from the inside rear-view mirror, facing the front of the vehicle. Students who fail to properly display the tag will be ticketed or have their tags revoked. **Parking assignments are final. There is no trading or changing spaces.**
5. Vehicles must be parked in assigned spaces. Students remaining on campus for school activities after school are to leave cars in their assigned spaces until exiting campus. The only places available for student parking are the student lots. **Students may not park on the road, driveway, in intersections, or in any other place, including other school campuses.** Student drivers should not enter the faculty/visitor lot during the school day. Vehicles parked in the wrong space or in unauthorized areas will be towed or “booted” at the owner’s expense and the permit will be subject to revocation without refund. **A \$10 fine must be paid to FVHS before the boot is removed.**

13. If a student holding an assigned parking space transfers within the WCPSS during the year, he or she will be assigned a space at the new school with no further payment of fees, assuming the original parking tag has been returned to the office of the previous school. If no space is available at the new school, the originating school will make the refund.

The tag may be moved from one registered family vehicle to another, but **may not be sold, given, or loaned to another student for his or her use. The student purchasing a parking tag is the only person who may park in the spot identified by the number on the tag. The penalty for doing so is revocation of parking privileges.**
17. Students shall inform the office immediately of any changes in vehicle or license plate.
18. Lost parking tags will be replaced for a \$10 fee. Report losses to the office.
19. **Loitering in the parking lot is prohibited.** Students should lock their cars and leave the parking lot immediately upon arriving at school.
