SMART Lunch Update

SMART Lunch tutorial attendance has dipped over the past few weeks. Although it feels like it is early in the quarter, only 35 instructional days remain in the first semester. Please encourage your student to attend SMART Lunch tutorials, so he/she can have a strong finish to Semester 1.

Human Trafficking Curriculum

NC Senate Bill 279 mandates that all students in grades 7-9 receive instruction concerning human trafficking prevention and awareness. All WCPSS students currently enrolled in a Healthful Living class will participate in a lesson on Human Trafficking, presented by members of the Student Services staff. For the ninth grade curriculum, students will learn the following objective: Grade 9 – 9.ICR.1.5: Explain how power and control in relationships can contribute to aggression, violence, and human trafficking.

The students will watch a video, followed by a lesson on healthy relationships. Students will then participate in a survey to help staff identify high-risk pupils and refer them to assistance resources. To view content and resources used in this instruction, please visit <https://Tinyurl.com/wcpsshtc>.

The district will honor passive consent regarding opting out of this lesson. Parents wishing to opt their student out of this lesson must do so in writing to the school principal prior to the presentation of the lesson. Lessons will begin as early as November 16. Please contact Jessica Huber, SAP Counselor, at 919-870-4250 x24551 or at jhuber@wcpss.net if you have any questions regarding the materials used in this instruction.
