The Wade Edwards Learning Lab [WELL] exists primarily to support and encourage the efforts of BHS students striving to meet high academic standards. WELL members have use of the computer lab, free internet access, free laser printing, and academic tutoring services. For the 2016-2017 school year, the WELL will be open from 2:15-6:00pm, Monday through Thursday and 2:15-4:00pm on Friday. Tutoring appointments start on September 12.

Are you able to tutor in a high school subject? Weekly commitments can be as little as one hour a week. Contact Rebekah Dixon at rdixon@wade.org or call 919-856-9233 if you are available.

GLOBAL POINTS OF PROGRESS – Middle East: The number of women Olympians keeps climbing with help from participation in this region. Globally, the proportion of female athletes competing in the Olympics has risen almost without pause since they were first admitted in 1900. Then, they accounted for 2.2 percent of participants. The percentage surpassed 45 percent in the Rio Games.

STUDENT ANNOUNCEMENTS [General]

The counselors will be registering new students today and will **NOT** be available to meet individually with students to discuss requests for schedule changes. **Request for Course Change Forms** are available on the table in the hallway outside Student Services Offices. All requests must be made in writing and include a parent/guardian signature. **Students should follow their schedules as printed until notified [in CAPS Class] of approved changes.**

Students who have empty spaces in their B-Day Schedules should report to Student Services [Room 1202] during the period in which nothing is scheduled.

There will be a **baseball interest and informational meeting** TOMORROW at 2:45pm in Room #3214A. This meeting is for all interested students who are interested in the baseball off-season workouts. Student athletes participating in a Fall Sport should NOT attend. See Coach Morton in Room #3214A if you are unable to attend.

Teens in grades 6-10 are invited to attend a Teen Leadership Corps (TLC) orientation on August 30th at 6:00 p.m. TLC is a leadership program at Richard B. Harrison Community Library. Teens can enjoy some refreshments while they meet other teens and learn about leadership opportunities including helping with children's programming in the library, assisting children in building literacy and other important skills, and giving back to the community. See Mr. Rudder in the Guidance Resource Center [Room 1209] for an application. The library is located at 1313 New Bern Avenue. For more information, phone 919-856-5720.

COMMUNITY SERVICE OPPORTUNITIES

Each Broughton student must perform 25 hours of community service per year; and students who perform an additional 25 hours during their four years at Broughton will receive a silver honor cord at graduation. The community service form may be downloaded from the BHS website. The deadline for receiving hours performed during the summer must be turned in no later than the end of the first quarter, October 28, 2016. Any summer hours turned in after this date will not be accepted.

Join fellow citizens and commemorate the 15th anniversary of 9/11 by volunteering during the 9/11 Weekend of Service coordinated by Activate Good with support from the City of Raleigh and Triangle Area Businesses. On Friday, September 9 and Saturday, September 10, businesses, groups, and individuals will honor those lost on 9/11 with volunteerism and acts of kindness at over 100 projects around the Triangle. On Sunday, September 11, a Commemoration and Service Event will conclude the weekend at the Red Hat Amphitheater. Visit www.activategood.org to register to volunteer.

STUDENT ANNOUNCEMENTS [JUNIOR & SENIORS]

A rep from the Honors College at East Carolina University will be at Broughton this Thursday, September 1st, at 8:15am. Seniors planning to attend ECU next year who have a **weighted 4.0+ GPA along with a minimum math/critical reading combined score of 1200 on the old SAT, and/or minimum composite score of 1270 on the new SAT, and/or minimum ACT composite score of 27** are invited to attend. To meet with the rep, sign up today or tomorrow in the Guidance Resource Center [Room 1209].

Although the ACT will be administered at Broughton on Saturday, September 10, both the regular registration deadline and the late registration deadline have passed. You can still try to test STANDBY by going to www.actstudent.org/start.

The registration deadline for the October 22 ACT is September 16. To register, go online at www.actstudent.org/start. This year the test fee for ACT [No Writing] is \$42.50 and the fee for ACT [With Writing] is \$58.50.

The registration deadline for the October 1st SAT is September 1, 2016. To register, go online at www.sat.org/register. The SAT fee is \$45 or \$57 with Essay. The Subject Test fee is \$26 + \$20 for each non-listening subject test or \$26 + \$26 for each listening subject test. Visit www.sat.org/practice to take the Official SAT Practice test.

Don't let **test fees** hold you back from taking the SAT/ACT or applying to college. Fee waivers are available to students for whom payment of SAT & ACT fees may be a barrier to testing and applying for college. Check with Dean Sauls in Student Services to see if you qualify.
