STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Female students that have been admitted to NC State: The Women of Welch [WOW] Village is a Living Learning Community housed in the only all-female residence hall on campus. WOW is primarily composed of freshman women interested in sisterhood and social justice. It provides college women the ability to find a close knit community in the midst of a larger campus environment. Most importantly, we connect the women to female faculty mentors across campus and help them to succeed academically. As a part of their village participation, the women enroll together in a section of an introductory Women's and Gender Studies course. More information about WOW and how to join can be found at <http://housing.ncsu.edu/women-of-welch-village>.

Seniors owing library fines/fees to Broughton or any other Wake County School may pay in the BHS Media Center before school, during lunch and after school. We must have exact change for all fines/fees. All money paid to Broughton will be reflected on your account after payment. Any money owed to another school will be sent directly to that school and your account will be credited by the receiving school. You may also go directly to the school and pay if you would prefer. A list of students still owing fines/fees will go out after spring break, so please clear your account as soon as possible.

SUMMER JOB OPPORTUNITIES

Starting February 15, teens interested in summer jobs with the City of Raleigh's Summer Youth Employment Program [RSYEP] can submit online applications through the City's online employment application process at www.raleighnc.gov. After online applications have been submitted, youth applicants are required to take part in an RSYEP interview from March 3-31. The Program is open to teens ages 15-18 who live in the Raleigh city limits. Those selected will work 20-30 hours a week @ \$7.25 an hour. The program runs from June 13 to August 12 and participants work as office staff, light laborers, staff assistants, and recreation counselors. AT the interview sites, applicants must submit a clear photocopy of a NC driver's license, learner's permit or NC State identification card. All interview sessions will be from 3:30-5:30pm. See Mrs. Parrish in Room 1207B.

The NC Youth Conservation Corps (NCYCC) is accepting applications from youth ages 16 to 24 for 2016 summer crews. As a NCYCC Corps Member, you will build and improve hiking trails, parks, recreational facilities and wildlife habitat, make a difference in people's lives, and have the experience of a lifetime. Crew members earn \$9.60 an hour and may be eligible for an AmeriCorps Education Award. The 2016 NCYCC work season begins June 18 and ends August 7. Seven week and three week "spike" crews are being offered. Spike crews are small groups of eight participants who live in tents in a camp setting and work outdoors under the close supervision of highly trained leaders. **The application deadline is May 15th.** APPLY NOW because applications are accepted on a rolling basis and positions are already being filled. Learn more about the NCYCC, 2016 crews, and being a crew member online at <http://www.ctnc.org/connect/nc-youth-conservation-corps-application-portal/>. You can contact NCYCC Project Director Jan Pender (jan@ctnc.org) for more information and/or questions or Mrs. Parrish in Room 1207B.

COMMUNITY SERVICE OPPORTUNITIES

The BHS Media Center has an opportunity for Community Service beginning in April. We will start our end of year inventory process which involves scanning materials into our online catalog, Destiny. The process requires using a laptop and accurately scanning barcodes into the inventory. A student must be willing to commit to at least 1 hour after school, beginning around 2:30pm and have transportation home. Please contact Ms. Robbins in the Media Center during lunch, before the break if possible if you are interested.

The annual **Holocaust Commemoration** in Raleigh is sponsored by the North Carolina Council on the Holocaust, a state agency in the Dept. of Public Instruction. The council works to commemorate the victims of the Nazi era and to help prevent future genocides through its education programs. The commemoration this year will take place at Meredith College on Sunday afternoon **May 15, 2016**. We would like to recruit 24 ushers to help guide people from place to place between the Chapel and the Jones Auditorium and also to help with seating. We would also appreciate if some students would also like to post flyers or help distribute information in advance via email, social media, etc. We would like the ushers at the Jones Auditorium at 1:30 because the event starts at 2:00 pm in the Chapel with a program of survivors describing their Life after Liberation. This ends at about 3:00 pm, followed by the formal Commemoration ceremony and keynote speech by Survivor Morris Glass at 3:30 pm, ending at 5:00 pm. We would like for the ushers to stay for the entire event but we are flexible. For more information, visit <http://www.ncpublicschools.org/holocaustcouncil/>. Students who are interested are asked to register at cathyph@aol.com.

Summer Camp Volunteer opportunities at the Cary Family YMCA! We are accepting applications until April 15th for Summer Camp Volunteers. We also offer volunteer positions in our Year Round After School programs throughout the summer. Most needed are rising 11th and 12th graders who are interested in making a difference

this summer. Interviews begin **March 17th**. Questions and for directions about how to apply, contact Lori.Kerr@ymcatriangle.org or call the Volunteer Engagement Coordinator, 919-469-9622.

Broughton High School students are invited to volunteer at the annual UNC Dance Marathon this April 1st and 2nd. Volunteering at the UNC Dance Marathon is a great way for students to get their required service hours while also having lots of fun with other students. There are two ways students can volunteer at the Marathon. They can choose to be a motivator or a volunteer. Motivators participate in a 6-hour shift at the UNC Dance Marathon and required to raise \$60. They cheer on students who have pledged to stand for 24 hours and help make sure the Marathon is running smoothly. **Volunteers** participate in 3-hour shifts at the Marathon and are required to raise \$30. They assist the Operations committee in completing tasks such as registration and check out. Volunteers also have the option of helping with the set up for the Marathon, which will be the evening of Thursday, March 31st. This option only requires students to raise \$20. All volunteers will also receive a t-shirt during the Marathon. To sign up to be a motivator or volunteer, visit https://docs.google.com/a/carolinaftk.org/forms/d/1x-D5P1tYOkx67TLPk7e1JAvYB2585WCfMjNehzkB7WU/viewform?c=0&w=1&usp=send_form.

Hope Reins, a nonprofit that promotes hope and healing for children through equine therapy is looking for more helping hands. Hope Reins was founded in 2010 as a program that brings comfort to hurting children through one-on-one relationships with special human and equine counselors. Many of the horses used in the program were rescued from abuse and neglect. The new acreage for Hope Reins was a former 33-acre cattle farm on N.C. 98. Volunteers of all kinds and all ages are needed to do tasks with or without the horses. Volunteers are also needed every Saturday morning to help with barn chores that are followed by a tour. For more information about volunteer opportunities, go to www.hopereinsraleigh.org.

Summer Enrichment/Leadership Opportunities [2016]

A Plus Test Prep [aplushigherscores.com/summer] offers students an opportunity to get closer to their college dreams during the summer, which is a perfect time for students to jump-start their futures. One of the most rewarding things students can do is to participate in an academic enrichment program on a college/university campus. Some programs are free and/or low cost. Many offer financial aid. Take a look at some of the programs at colleges all over the country, including NC State, Vanderbilt, Wake Tech, ASU, UNC, Spelman, UGA and many more by going online at http://aplushigherscores.com/summer-camp-program-enrichment-directory-2016-aplus-sat-act-tutoring-prep/?mc_cid=07e5ec1187&mc_eid=5a7d24314b.

Adelphi University's Summer Pre-College Program offers high school students the opportunity to challenge themselves in a rich academic experience while living and learning like a real college student. The Garden City NJ campus is just 23 miles from New York City and students reside on campus in air-conditioned housing that includes suites with a private bath, and get personal attention from the instructors, advisors and support staff. Program costs include a college-level class, housing and off-campus trips and events. For more information, visit precollege.adelphi.edu or call 1-800-ADELPHI.

Appalachian State University's Martha Guy Summer Institute for Future Business Leaders [MGSI] combines a residential experience with out of state travel. The program concludes with a week of travel to various business and cultural sites, including the New York Stock Exchange. Twenty-four students from across North Carolina are selected and the program is quite affordable considering the extensive travel, excursions and activities; tuition is \$1,500 plus a meal plan of \$325. Need-based scholarships are available to qualified applicants to defray tuition costs. Applicants must demonstrate a sincere interest in business as a college major. Visit www.marthaguy.appstate.edu for details and information. Deadline: February 26.

Barnard Pre-College Programs offers numerous opportunities for current 10th and 11th grade girls. Some programs have residential or commuter options and some are resident-only; all programs, of varying lengths, have a full-time supervisory staff and are in keeping with the Barnard mission of educating women. The programs provide a wonderful opportunity for students to enjoy a pre-college experience while exploring New York City. For more information, including dates and fees, visit www.barnard.edu/summer.

Boston University Summer Term offers high school students the opportunity to take on new academic challenges, explore a variety of interests, and consider possible majors. In addition, students are able to meet motivated, curious, and intelligent high school students from 49 states and 87 countries on six continents. The program is designed for students entering their junior or senior years. For more information visit bu.edu/summer/highschool.

The **Leadership Converse Program** at **Converse College** is a three-and-a-half day workshop for **rising female juniors and seniors**. The goal of the program is to teach students that leadership is a process where individuals or groups work together to create positive, sustainable change. Students who are active in their communities or in leadership roles, have a passion for helping others, and who have a vision for positive change are encouraged to apply to Leadership Converse. In the spirit of "everyone can do leadership," we are committed to offering the program **at no cost** to students who are invited to attend. We are passionate about equitable access to the program, so housing, meals and supplies will be provided for the participants of the program. **The application will be available online at https://converse.formstack.com/forms/leadership_converse_application through April 15, 2016.** If you have any questions, please feel free to contact our staff at leadershipconverse@converse.edu.

The College of William & Mary, The Colonial Williamsburg Foundation, and The National Institute of American History and Democracy offer two 3-week sessions of a Pre-Collegiate Summer Program. Participants spend three weeks at the College of William & Mary, pursuing the history of American men and women: visiting the places they lived, observing the things they touched, and immersing themselves in their stories as told by historians, archaeologists, and interpreters. For complete details, visit www.wm.edu/niahd or call 757-221-7652.

The **Cooper Union Summer Art Intensive** 2016. Applications are now available online <http://www.cooper.edu/academics/outreach-and-pre-college/summer-art-intensive>. The program accepts resident and non-resident students, ages 15-18, who will be living in New York City or surrounding areas this summer during the course of the program. Through highly structured projects, this intensive summer pre-college art program prepares students to apply to top undergraduate top art schools. All participants select a two-day studio concentration, devoting the rest of the week to intensive drawing instruction and the study of contemporary art issues. Portfolio preparation classes, taught by a specialized faculty of working artists, are combined with visits to major museums and gallery districts, engaging students with the vast cultural resources of New York City. Guest Artists in residence will offer a close-up view of a professional practice in action. The Cooper Union Summer Art Intensive culminates with a student exhibition, a publication of art and writings, and a public animation screening with a reception in Cooper's Great Hall.

July Experience at **Davidson College** offers three weeks at a top liberal arts college for rising high school juniors and seniors being taught by Davidson faculty, living in a residence hall with students from across the country and around the world. The experience is scheduled from July 3-23. Admission and Scholarship Applications deadline: March 31. Want to know more? Visit www.davidson.edu/JulyExperience.

Duke University Youth Programs Summer Camps offer exciting opportunities in camps for writing, leadership, STEM, and precollege. Small classes and low teacher-student ratio provide plenty opportunities for guidance, self-discovery and collaboration. Fellow Residential, Commuter, and Extended Day campers provide a multicultural experience with a mix of 70% Residential to 30% Commuter campers from countries around the world. Educators from public and private schools, colleges and free-lance writers design and deliver challenging and engaging experience for campers. Camps include: Computer Camp, Math Camp, Newsciences Camp, Test Preparation, WRITE Camp, Young Writers' Camp, Action Science Camp, Biosciences and Engineering Camp, Constructing Your College Experience, Creative Writers' Workshop and IMAGINE...Leading by Example. Duke Youth Programs is a part of **Duke University Continuing Studies** and has provided summer academic enrichment for academically motivated youth for over 30 years. Each summer approximately 650 youth from around the nation and world, representing some 22 states and 5 different countries, attend one of our summer programs. Our camps open for registration on December 1st! We offer 13 different programs for students from grades 6-11. All programs seek to engage learners in innovative, interactive, transformative learning experiences. Co-curricular social and recreational activities are carefully planned and delivered to complement the instructional day. The camp "learning community" approaches learning as a shared responsibility among students, instructors, and counselors. For more information on how to register visit www.learnmore.duke.edu/youth or call 919-684-2827.

The **Fashion Institute of Design & Merchandising [FIDM] Summer Program for High School Students** offers a 3-Non-Stop Days immersive summer program during which high school students experience fashion through the eyes of a college student. Workshops include practice fashion draping, learning fashion sketching, drawing new shoe designs and discovering the art of trend spotting. Cost: \$300. The program is offered on the San Diego campus June 21-23, the Los Angeles campus June 22-24, the San Francisco campus June 27-29 and the Orange County campus June 27-29. Register at FIDM.edu/go/SummerProgram.

Furman Summer Scholars Program. The program offers rising high school seniors and juniors an opportunity to participate in classes led by some of Furman's favorite professors, live on campus and get a taste of college life. Two sessions: July 10-16 & July 17-23. Application Deadline: May 1, 2016. One week session @ \$1,200/ Two week sessions @ \$2,200. For course information and to register, visit www.furman.edu/summerscholars.

The **George Washington University Pre-College Program** offers motivated high school students from all over the world to engage in rigorous academic experiences as they prepare for their college future. Several options are offered for students in credit and noncredit program formats. Classes are taught by expert faculty and academics are integrated with an exploration of the intellectual, cultural and historic resources of Washington, DC. Students may enroll in three or six week courses and earn transferable, undergraduate credit. Students may also enroll in two-week non-credit experiential courses that engage them in an in-depth exploration of a field of interest. For more information, visit precollege.gwu.edu or phone 202-994-6360. Scholarship programs are available.

Global Young Innovators Initiative: Impact Through Leadership [GYII] is a six-day summit where students will work in small groups and will be challenged to serve as real life business consultants on an international development project through Envision's partnership with Leadership Initiatives, a US-based nonprofit. In 2015, GYII students created new ways to Oxygenate fish tanks and make fish food for Sani Abdu, a fish farmer in Bauchi Nigeria. Programs Will be held on the campuses of Harvard University, the University of California at Los Angeles, Emory University and the University of Chicago. Broughton has been asked to nominate high-Achieving students to attend. If interested, see Mr. Rudder in the Guidance Resource Center.

Heels for Success is a one-day summer program to help academically talented, **rising tenth and eleventh graders** prepare for college. Over the course of your day, you'll continue on the path toward college by getting an opportunity to be a part of the Carolina campus and learn firsthand about the academic and extra-curricular preparation required by selective colleges. You'll learn techniques for approaching the ACT, college applications, and essays. You'll also get the chance to connect with other outstanding students. The program is free of cost excluding travel costs. This program will be offered on the following dates from approximately 9:00 am to 4:00 pm on each date:

- Saturday, July 9, Wednesday, July 13, Saturday, July 23 and Wednesday, July 27. To apply, visit admissions.unc.edu/heels-for-success/. Deadline: March 15, 2016.

The Hispanic National Bar Foundation (HNBF) sponsors the **Hispanic National Bar Foundation's Future Latino Leaders Law Camp** as a summer enrichment program for high school students. The Law Camp is a unique opportunity for students to gain valuable life skills, enhance public speaking abilities, meet successful Latino leaders, tour important Federal institutions, learn about careers in the legal profession, gain valuable insights into the college admission process, and spend a week with other highly motivated young Latino leaders in our nation's capital, Washington, D.C. This year the Law Camp will be held from Saturday, July 16 to Sunday, July 24, 2016. Participants will stay in college dorms at the nationally recognized and beautiful campus of American University in Washington, D.C. The Law Camp is a free program due to the generous support of our many sponsors and donors. However, there is a competitive application process and a non-refundable application fee of \$50. If the application fee is a barrier, you may request a fee waiver by completing an application fee waiver form and e-mailing it to HNBF's Executive Director at HNBFLawCamp@hnb.org. Students are responsible for arranging their own transportation to and from DC (scholarships are available based on financial need). The application and all supplemental forms are available on the HNBF's website, www.hnbf.org.

New York University Summer Programs for High School Students. NYU Precollege offers high school students the opportunity to experience NYU by spending six weeks living and learning in New York City. The program runs from July 5-August 16. For scholarship consideration, students should apply by April 1. Students earn college credit while taking courses in favorite subjects or by exploring new areas of interest. Whether participants choose to live on campus in New York City's historic Greenwich Village or commute from home, students experience college life at NYU. For more details and the most up-to-date information, visit nyu.edu/precollege.

North Carolina State University's Office of Professional Development offers Reading Skills and Speed Reading Programs for Children and Adults this summer on campus. The program for entering 9th-11th graders is designed to help students double reading speed, make substantial gains in comprehension, and improve study skills. It is also an excellent preparation for the SAT and ACT. The program for entering 12th graders is also designed to transform reading skills, double reading speed in difficult material and triple reading speed in

easier material while improving comprehension, concentration, and retention. For more information or to register, call 800-483-5013.

The second annual **North Carolina State University High School Students' Communication Camp** for Summer 2016, sponsored by the Department of Communication and the College of Humanities & Social Sciences will run from Monday, July 18 through Friday July 22. The Camp is designed for **rising high school juniors and seniors** to cultivate expertise in public speaking, in television studio production, and in broadcast performance. Students will create their own newscasts, learn presentational techniques, and engage in hands-on media production skills. The summer camp instructors are experienced teachers and working media professionals who will guide students through an interactive, dynamic week of activity. This year we are pleased to offer a \$25.00 tuition discount for early registrants. Early application is also encouraged because we limit registration to 14 seats to ensure a high-quality experience for each of our participants. Visit http://communication.chass.ncsu.edu/academics/other_programs/cc/cc.php/ to learn more about our sessions, instructors, and more. Additional questions about the Camp may be addressed to James Alchediak, our Summer Camp Director (alchedia@ncsu.edu / 919.515.9740).

Raleigh Tutoring is seeking motivated high school students interested in completing a volunteer internship as a summer assistant. Summer assistants would assist and shadow Raleigh Tutoring instructors who will be teaching our summer camps. This is a great learning and leadership opportunity and will provide an unique experience to add to your resume for colleges. We offer camps ranging from academic to special interest for all grades, Pre-K through high school. You would be placed with camps that best suit your interests. We have camps scheduled from the week of June 13-17 to the week of August 1-5 at Cary Academy, St. Timothy's School, and Ravenscroft School. You can view our summer camps at our website, www.raleightutoring.com. In order to be considered, you must be 16 years old or older, pass a background check, be willing to commit to at least one week of camp, and have your own transportation. **See Mrs. Parrish in 1207 for more details.**

The **Veterinary Professions Advising Center at NCSU** offers a 5-day summer camp designed to provide insight to high school students interested in careers within veterinary medicine. Two camps are scheduled: July 11-15 and July 18-22. Activities include a tour of the vet school, heart and brain dissections, a suture lab, swine and equine labs plus lunch with Vet School faculty and staff. For more information and application, go to the VetPAC link <http://harvest.cals.ncsu.edu/vetpac/index.cfm?pageID=5165>.

North Carolina State University offers a Summer College in Biotechnology & Life Sciences [SCIBLS], a summer program for high school rising juniors and seniors. All courses meet July 5-July 29 and classes meet from 9:00am to 3:30pm Monday – Friday in a combination of lecture and lab sessions. SCIBLS students are urged to live on campus but it is not required. On-campus housing is in one of the dormitories in the Honors Village. Resident Assistants, hired by the SCIBLS program, supervise students in the evenings and on weekends. For more information and to apply for the program visit www.cals.ncsu.edu/scibls.

Broughton teens interested in learning about natural resources conservation in the great outdoors: **Rising sophomores, juniors and seniors** at Wake County high schools are invited to apply for a \$475 scholarship to attend the 2016 Resource Conservation Workshop June 26-July 1 at **North Carolina State University**. Or email Wake District at sbjones@wakegov.com. Application deadline is Friday; March 4, 2016 at 5:00pm.

Programs offered at the N.C. State University General Hugh Shelton Leadership Center:

The First-Year Shelton Challenge is a six-day summer experience for rising freshmen, sophomores, juniors, and seniors in high school. Shelton's five cornerstones of values-based leadership—honesty, integrity, compassion, diversity and social responsibility—are the foundations of the camp. The core curriculum focuses on Personal Leadership Assessment and Interpersonal Dynamics, Role of Values and Ethics in Leadership, Leadership Traits and Approaches, Teambuilding and Empowering Others, Social Responsibility, Public Speaking, and Goal Setting. The First-Year Shelton Challenge seeks youth who are **rising 9th through 12th graders** with a 3.0 grade point average (unweighted) or higher. Students will get to experience residence hall living, eat meals at a

campus dining hall, and use indoor and outdoor recreation facilities. Cost to attend the program is \$625.00 for the week.

Designed for **rising high school seniors and college students**, these six-day camps offer a unique opportunity to collaborate with students from other countries who are studying in the United States. Hosted on NC State's renowned Centennial Campus, participants will be housed in **Wolf Ridge**, the university's newest on-campus apartment complex. Participants will also be able to enjoy additional amenities: single occupancy bedrooms, fully furnished apartment living, and a dining card to the On the Oval dining hall.

The International Connections Shelton Challenge exposes students to the many benefits and skills of multi-cultural cooperation, an increasingly important component in our globalizing world. Students will work together to learn about each other's cultures while learning about values-based leadership and the importance of diversity within teamwork and communication. The program provides an invaluable experience of nonstop collaboration among a diverse group, which will enable students to cultivate their leadership skills in adaptability, problem solving, and conflict resolution. Cost of the program is \$700.00 for the week.

The Entrepreneurial Thinking Shelton Challenge allows participants to engage with distinguished NC State faculty and experienced entrepreneurs to practice leadership skills that support successful business ventures. The focus of the camp will be leading with values as an entrepreneur. Through the unique opportunity of exploring the **Garage**, NC State's small business and prototyping space, the program also aims to empower students by creating a dynamic atmosphere for innovation and creativity. Cost of the program is \$700.00 for the week.

For more information, visit <https://sheltonleadership.ncsu.edu/youth-shelton-challenge/>.

This scholarship is open to students from Kindergarten to grade 12—students in elementary, middle, and high school are all eligible to apply! This scholarship is primarily an artistic competition—the winning student will **receive a \$30,000 college scholarship**. And that is not all! In addition to the college scholarship, students will receive a \$50,000 technology grant for their school! Each year this program has a theme—for 2013 is "My Best Day Ever..." (it is purposely meant to be open-ended). The application can be found online at <https://www.google.com/doodle4google/> Deadline: March.

***GlaxoSmithKline Opportunity Scholarships.** These scholarships, administered by the Triangle Community Foundation, offer residents of Durham, Orange, or Wake County, **who have overcome significant adversity**, the opportunity to pursue their dreams and improve their lives through education or training. Applicants must be eligible to receive North Carolina resident tuition costs and must demonstrate the potential to succeed despite adversity as well as an exceptional desire to improve himself or herself through further education or training. Due to the nature of the scholarship, high school students seeking general scholarship assistance are discouraged from applying unless they have faced significant adversity. There are no limitations on age, income level or previous education. Similarly, there are no limitations on the course of study or type of education or training program the applicant is planning to pursue. Awards may be up to \$20,000 and application can be downloaded online at http://www.trianglecdf.org/grants_support/view_scholarships/glaxosmithkline_opportunity. The application is an

Adobe Acrobat Form. Once the application is downloaded it must be completed in Acrobat Reader by filling in the appropriate blanks. All applications must be typed. Please read all directions on the application form before submitting an application. March 15th deadline.

***Gloria Barron Prize for Young Heroes** is open to U.S. and Canadian students age 8 through 18. The prize is awarded to students who have done an extraordinary service project that has benefited the community or the environment. Up to 25 students will be awarded prizes. The Barron Prize recognizes these young people as heroes because they have accomplished something on their own with a heartfelt desire to change another person's life forever, or make the world a safer, healthier and cleaner place to live. Prize money can be used for furthering their education or funding their project. **Students must be nominated by someone who has good knowledge of their project, such as teachers, librarians, school counselors, youth service officials, and religious leaders.** Projects must be the student's own work and cannot be part of a school or other assignment. Students nominated are those who are generous of nature and truly want to do something extraordinary to help others. The award was named in honor of Gloria Barron, a teacher from Boulder, Colorado who always encouraged her family and others to make a positive difference in the world. Gloria's quiet heroism led her to create a nature museum at the Colorado School for the Blind where students could learn by touching. It was her quiet heroism that inspired her son to name the scholarship after his mother, his hero. **The deadline for this scholarship is April 15, 2016, and the award amount is usually \$5,000. For more details, visit www.barronprize.org**

***Goodyear STEM Career Day Rube Goldberg Challenge** is open to middle and high school students who want to use their science, technology, engineering and math skills to earn money for college and grants for their school. Students may apply in groups of four. The competition involves building a moving machine that can complete simple tasks. Applicants may submit a video and description of their machine along with an application that includes an essay question, "How has Goodyear's STEM Career Day Rube Goldberg Challenge affected the way you view science, technology, engineering and math as part of your everyday life and your future?" Students chosen as winners will need to be present at the annual Rube Goldberg Challenge in order to claim their prize. Projects will be judged by a panel of Goodyear scientists and engineers. Students may register for one of two categories: grades 6-8, and grades 9-12. The Goodyear Tire and Rubber Company is a tire manufacturing company founded in 1898 and based in Akron, Ohio. Goodyear manufactures tires for automobiles, commercial trucks, light trucks, SUVs, race cars, airplanes, farm equipment and heavy earth-mover machinery. **The deadline for this scholarship is March 13, 2015, and the award amount VARIES. The three student scholarships, along with a gift to the first place winner's English Department, total \$10,000. For the first time this year there will also be eight regional winners. Each of the eight NCETA regions will select a winner to receive a \$500 scholarship. The first five entries from each region will also receive a \$50 gift card. Students from all schools – public, private, charter and home schools are encouraged to submit their writing. Students may review the entry guidelines and obtain an entry form by going to the Foundation website at www.wade.org. The entry form does require both a teacher and a parent signature. **The deadline for submissions is May 1, 2016.**
