PARENT ANNOUNCEMENTS

The following students have sent artwork to the Visual Art Exchange for "Project Postcard":

Iy'Ana Collins, Max Wright, Laurie Williams, Shaquina Roscoe, Julia Collins, Layan Shahrour, Hannah DeMaio Newton, Caroline Hallow, Pavate Irakoze, and Luna Little.

Their work will be hanging in the gallery at 309 West Martin St. If you are gallery hopping for **first Friday**, be sure to stop by VAE to see their work.

GLOBAL POINTS OF PROGRESS: El Salvador: The smallest country in Central America has become the first in the world to ban metal mining, following a years-long struggle to protect its limited water supply. An estimated 90 percent of El Salvador's surface water is contaminated. Mining is an industry whose primary and first victim is water.

STUDENT ANNOUNCEMENTS [General]

AP testing will be taking place until May 12th. The Student Services staff is responsible for administering AP exams and will be in and out of their offices during this time. Students who need to see a counselor during AP testing, should send an email to their counselor and set up a time to see them. There will always be at least one Student Services staff in the office for emergencies.

RISING AP ENVIRONMENTAL STUDENTS: There will be a brief **mandatory** meeting on Monday, May 22 during 1st lunch, 2nd lunch or after school in room 353 to receive your **required summer assignment**.

The WELL will be closed on May 19th and 26th.

BROUGHTON SPORTS UPDATE: The Broughton Girls Lacrosse team remains undefeated in conference play with a 20-8 road win over the Heritage Huskies Wednesday night. [Cap's Tennis Sends a Doubles Team to Regionals](#). Come out and cheer on this doubles team as they represent Broughton at Regionals on Friday, May 5th, 2pm at Millbrook Exchange Tennis Center.

STUDENT ANNOUNCEMENTS [JUNIOR & SENIORS]

Seniors: If you have a family member who will need handicapped seating, please complete the HANDICAPPED SEATING REQUEST GRADUATION 2017 FORM and return it to Mr. Rudder in Room 1209 as soon as possible. Forms may be found in the Senior Booklet or in Room 1209.

Seniors: The 2016-2017 STUDENT SCHOLARSHIP INFORMATION FORM is available in the Senior Booklet. Please list all of your scholarship offers [not just the ones accepted] on the form and return the forms and awards letter[s] to Ms. Tollison in Students Services. This information will be printed in the Senior Assembly Program.

The NCSU College of Engineering, Minority Engineering Programs, EASTMAN, and the NC State Vice Provost for Institutional Equity and Diversity invite Wake County High School students to attend THE African American Family Science and Engineering Day, **Saturday, May 6**, 11am-2pm, Talley Ballroom. Drink Dry Ice Punch, test liquid nitrogen, make nano ice cream, create jello syringes, watch crystals grow and more in the STEM lab. The day of science and technology is designed to inform, inspire and encourage young African Americans towards a career in STEM fields. The keynote speaker will be Phil Freelon, lead architect and design team lead for the Smithsonian National Museum of African American History and Culture. Register today: go.ncsu.edu/thestemlab.

The Real Lives of the Women of Raleigh will be holding its 4th Annual Community Day Health Fair & Wellnes Event on **Saturday, May 20th** at the Christ our King Community Church, 1500 Garner Road. The event will be held from 11am to 2pm.. For more information contact Andrea McCullough at amccullough@wcpss.net.

Accelerating Men Inc. will be holding a Community Day Open House on **Saturday, May 27** from noon-3:00pm at the Club Teen Center, 721 N. Raleigh Blvd. Enjoy music, food and information about Accelerating Men Inc. An Accelerating Men and Bridge Parent Workshop will be held from 12:15-1:00pm. For more information contact Andrea McCullough at amccullough@wcpss.net.

RECURRING ANNOUNCEMENTS

To receive the Daily Announcements Bulletins by e-mail, join the PTSA Yahoo Group. To join, e-mail broughtonptsa-subscribe@yahoogroups.com.

Looking for a summer job or are you interested in joining the Military?? There will be a **Job and Military Fair** during both lunches in the picnic area on **Wednesday May 10**. Please stop by the picnic area during your lunch on May 10 to speak to businesses looking to hire high school students!

Students who would like to get college transfer credit hours while still in high school should attend a Career and College Promise Information session at Wake Tech. Students can take courses through Wake Tech which can transfer to four year colleges and universities. Please choose to attend one of the dates and times listed below.

The information session is required for any student wishing to take courses in Fall 2017. To get more information on this opportunity, please register using the link below. Please see Ms. Davis or Mrs. Parrish in room 1406 for further details.

Career and College Promise Registration Link: <http://www.waketech.edu/programs-courses/career-and-college-promise/information-sessions/reserve-ccp>.

Dates and Times

* 4/26, 5/3, 5/10, 5/17 - Wake Tech Main Campus at 4:00 pm

*5/18 - Northern Wake Campus at 4:00 pm

*5/23- Northern Wake Campus at 6:00 pm

COMMUNITY SERVICE OPPORTUNITIES

COMMUNITY SERVICE REMINDERS:

- **Underclassmen community service hours are due by May 5. In order to be "up to date" with community service hours, they must be turned in by this date. Students who are not current or "up to date" with community service hours may not qualify the next year for "off campus lunch pass", homecoming court, etc.**
- **All community service hours must be done for a Non-profit organization**

Volunteers are needed to help out during the 4th of July event in downtown Raleigh. We will have a roller skating rink as part of the festivities and will need volunteers to help set up and break down the rink for the event.

Volunteers are encouraged to stay and enjoy the event. They will need to be available from 10am to 12pm and 10pm to 11pm for set up and tear down before and after the event. This is a great opportunity for community service hours and volunteer hours. If interested, contact Jasmine Keadle at Jasmine.Keadle@raleighconvention.com.

Poe Health Center will be offering summer camps for elementary age children and are looking for high school students to volunteer as counselors. They offer morning shifts [8:00am-1:00pm], afternoon shifts [noon-5:00pm] and all-day shifts [8:30am-4:00pm]. If you have experience working with children and are interested, see Mr. Rudder in the Guidance Resource Center for an application.

Volunteers needed to run carnival games during Hunter Elementary School's Spring Carnival scheduled for Friday, May 5th from 5:30pm-8:00pm. We are in need of several responsible volunteers to **help run carnival games**. Interested students can sign-up by emailing Sunny Myers at sunnyoc44@gmail.com. Please be sure to mention that you are a student from Broughton High School! when you sign up.

COMMUNITY SERVICE OPPORTUNITIES AT THE CARDINAL. Weekend and weekday Volunteers needed during the school year and over the summer: The Wellness Department at The Cardinal is looking for volunteers to help with: Assisting/participating in exercise classes, doing 1:1 activities with residents, assisting with group activities, and helping out with movies. Please contact **Ann Janvier** at: ann.janvier@kiscosl.com or by telephone at **984-204-8444**.

Fred Olds PTA could use a few good volunteers to help with the PTA's annual Spring Fling on **Friday, May 5th**, from 5:30 to 9. Jobs include helping set up tables and arranging things between 5:30 and 6, assisting with keeping lines orderly at inflatables, helping run a few simple games, directing kids and adults to appropriate trash and recycling receptacles, and serving food and collecting tickets or money. None of the jobs involves anything too strenuous. If you have questions and/or to sign-up, please contact Matt Mall, 919-760-0565 or matthewmall@parkerpoe.com.

Want to help women and children in the Triangle Area? Assistance League of the Triangle Area (www.altriangle.org) is an all-volunteer organization dedicated to improving the lives of women and children through several programs including Operation School Bell® which gives new clothing and school supplies to school children. The **A-Z Thrift Shop**, our primary source of funds, needs volunteers to assist with picking up/delivering furniture and household items to our shop year round Mondays between 9:30am-12:30 pm and some Sunday afternoons. If interested in volunteering, please contact the coordinator via email: lauretta.holloway@me.com. All volunteers receive documentation of hours served.

The **A.E.Finley YMCA**, in partnership with St Giles Church in Oak Park, sponsor an after school program and need students to volunteer as tutors. The program serves elementary students on Mondays and Wednesdays at Providence Baptist Church on Glenwood Avenue and serves middle school students on Tuesdays and Thursdays at St. Giles Church off Oak Park Rd. The hours for elementary students are 4:45 - 5:45, and 5:45 - 6:45. The hours for middle school students are 4:30 - 5:30, and 5:30 - 6:30. Each tutor is expected to work for ONE HOUR PER WEEK with the same child and willing to make a commitment thru the end of the school year. Student volunteers must be at least 16 years old, and be responsible about showing up EVERY week. You may select a day and time that are best suited to your schedule. If interested contact Peggy Forster at pegfors@yahoo.com or call 919-782-0279.

Jeffreys Grove Elementary would like volunteers to help by reading to children or assisting with school technology. If you are interested in helping, please contact David Brooks, the Broughton Magnet Coordinator, in room 156, and he will put you in touch with the Jeffreys Grove Magnet Coordinator.

Looking for flexible after-school service hours in a place of encouragement and hope? Help local families transitioning from homelessness at The Green Chair Project. Sign up online whenever you need hours (open Tues-Fri, 10-5). No experience necessary ---greet visitors, process donations, or help with Front Desk closing duties. Only a 7 minute drive from BHS or take the Go Raleigh bus to the Greyhound stop on Capital Boulevard (Green Chair is across the street, next to the Salvation Army). For orientation information and to sign up, go to <http://www.volunteerspot.com/login/entry/1112345638957882069>

JOB OPPORTUNITIES

- * Effective communication skills and timeliness are a must! Must have reliable transportation.
- * Reference from professor, club advisor or past-employer on timeliness/character is REQUIRED

Please submit resumes and references to:

Dawn Baker, Sr. Manager, Events & Property Branding ~ dbaker@kanerealtycorp.com
www.northhillsevents.com / Facebook: VisitNorthHills / Instagram: @MidtownEvents

Looking for a great summer job opportunity? Swim Club Management of Raleigh is now hiring Lifeguards, Managers and Gate Attendants for the summer of 2017. Flexible schedule and fun outdoor working environment! We run neighborhood and country club pools in the Raleigh, Cary, Durham, Chapel Hill, Wake Forest, Clayton, Rocky Mount and Pinehurst areas. Responsibilities will include keeping the facility safe for all patrons, ensuring the facility is clean and stocked with supplies necessary for operation, monitoring membership, and enforcement of all pool rules. We provide lifeguard classes through our company and can help applicants find other classes if our schedule does not fit with theirs. If interested call 919-589-2525 or email MeganBarlow@swimclubmanagement.com. For more information visit www.lifeguardraleigh.com.

Aquatic Management Group is currently hiring Lifeguards and Pool Attendants for the Summer 2017 pool season. Working at a pool is the best summer job for someone in high school and you will gain valuable lifesaving skills. You do not need to be certified to apply for this position as we offer all required courses prior to the beginning of the summer. If you are interested in the position please apply today at www.AquaticManagementGroup.com/apply.php.

SCHOLARSHIP OPPORTUNITIES FOR UNDERCLASSMEN

SUMMER ENRICHMENT OPPORTUNITIES

[The Daily Announcements Bulletins typically list only out-of-state summer enrichment activities for high school students. For information regarding programs offered on North Carolina campuses, visit the website at www.CFNC.org and SEARCH "College Preparation Opportunities." Also, refer to the WCPSS list of summer camp programs for elementary through high school students at www.wcpss.net/school_to_career/summer_camp or for additional camp options in NC and SC at www.carolinacamps.com.

Adelphi University's Summer Pre-College Program offers high school students the opportunity to challenge themselves in a rich academic experience while living and learning like a real college student. The Garden City NJ campus is just 23 miles from New York City and students reside on campus in air-conditioned housing that includes suites with a private bath, and get personal attention from the instructors, advisors and support staff. Program costs include a college-level class, housing and off-campus trips and events. For more information, visit precollege.adelphi.edu or call 1-800-ADELPHI.

The Pre-College Programs for rising high school junior and senior girls offered at **Barnard College** provide a wonderful opportunity for students to enjoy a pre-college experience and college preparation while exploring New York City. The programs allow students to choose from an array of subjects including writing, literature, art, theatre, film studies, psychology, computer science, architecture, religion, political science and more. For more information, including dates and fees, visit www.barnard.edu/summer

Boston University Summer Term offers five exciting programs designed to provide students with rigorous and collaborative college life experiences that enable them to gain a strong sense of the personal and academic potential. High School Honors is a six-week residential, commuter, or online program in which students take Boston University undergraduate courses and earn up to 8 transferable college credits. RISA Internship/Practicum is a six-week non-credit residential or commuter program in which students conduct scientific research in a university lab under the guidance of a faculty mentor. Academic Immersion is a three-week non-credit residential program for students to focus intensively on a single academic topic while enjoying life on a college campus. Summer Challenge is a two-week residential program in which students take two non-credit seminars of their choice and experience life on a college campus. Summer Preview is a one-week non-credit commuter or residential program in which students explore one subject of interest while previewing the college experience. For more information, visit bu.edu/summer/highschool.

California College of the Arts' Pre-College Program is a once-in-a-lifetime opportunity for high school students to study art, architecture, design, or creative writing in an art-school setting while earning 3 college credits. Students not only have an opportunity to develop their portfolios, but also a chance to discover the San Francisco Bay Area. The 4 week program runs from June 26 – July 21. For more information, visit cca.edu/precollege. Completed applications are processed and reviewed on a first-come, first-served basis. Applying early is recommended.

Jumpstart Your Future. **Carnegie Mellon Summer Pre-College Programs** in architecture, art, design, drama, music. July 1-August 11, 2017. Advanced Placement/Early Admission. National High School Game Academy. For more information, visit www.admission.enrollment.cmu.edu/pages/pre-college.

The National Institute of American History and Democracy (NIAHD) is a partnership between the College of William and Mary and the Colonial Williamsburg Foundation. It is dedicated to the study of American History, Public History, Material Culture, and Museum Studies. The Institute sponsors programs for William and Mary students, students from other colleges and universities, and [high school students](#). Students take NIAHD programs as part of their preparation for careers in teaching, museums, and other aspects of history and public history. **The Pre-College Summer Program in Early American History** offers *high school juniors and seniors* a three-week academic history course with college credit at the College of William and Mary. Courses are taught "on site" at the abundant museums and historic places in eastern Virginia. For more information, visit <http://www.wm.edu/as/niahd/>.

Through highly structured projects, the **Cooper Union Summer Art Intensive** [New York City] prepares students to apply to top art school's undergraduate programs. All participants select a two-day studio concentration, devoting the rest of the week to intensive drawing instruction and the study of contemporary art issues. Portfolio preparation classes, taught by a specialized faculty of working artists, are combined with visits to major museums and gallery districts, engaging students with the vast cultural resources of New York City. Guest Artists in Residence will offer a close-up view of professional practice in action. The Cooper Union Summer Art Intensive culminates with a student exhibition, a publication of art and writings, and a public animation screening with a reception in Cooper's Great Hall. The Cooper Union **Summer Art Intensive** accepts resident and non-resident students, ages 15-18, who will be living in New York City or surrounding areas this summer during the course of the program. For more information, visit <http://cooper.edu/academics/outreach-and-pre-college/summer-art-intensive/apply>.

Check out the Summer Camps offered by Duke University Youth Programs. Pursue academic interests. Explore career opportunities. Discover new interests and talents. Connect with other motivated peers. Experience campus life. Open enrollment is provided with no application requirement. Just head to www.Learnmore.duke.edu/youth2017 . youth@duke.edu. Call 919-684-6259.

Get ahead this summer and earn college credit with academically-motivated students from around the world in **Duke University's Summer College for High School Students**. If you are a current 10th or 11th grade student, you are eligible to apply as early as December 1, 2016. This 4-week credit-bearing program offered by Duke University attracts students who represent the next generation of leaders from around the world. Immerse yourself in an international college experience by enrolling in this elite program designed to provide the academic and residential environment conducive to collegiate success. July 9 [arrival] to August 4 [departure]. For more information please contact summercollege@duke.edu or email Dr. Nicki Charles at nicki.charles@duke.edu.

Have fun and enjoy personal enrichment classes with academically-motivated students from around the world in **Duke University's Summer Academy for High School Students**. Students currently in grades 9 - 12 are eligible to apply. We begin accepting applications on December 1, 2016. Summer Academy for High School Students, a three-week, non-credit-bearing program offered by Duke University, attracts students who represent the next generation of global citizens from around the world. Enroll in this elite program and immerse yourself in an international experience designed to provide an academic and residential environment through which you will gain a global perspective on multiple areas of interest for young leaders. July 15 [arrival] to August 4 [departure]. For more information, visit <http://summersession.duke.edu/high-school-students/duke-summer-academy>

George Washington University offers a Pre-College program with activities at both the Mount Vernon and Foggy Bottom campuses. Areas of study include the arts, business, communications, Government & politics, history & humanities and STEM courses. 3-week and 6-week sessions are available for college intensive credit and summer immersions sessions for noncredit. To learn more about course descriptions, costs, application requirements and to apply, visit precollege.gwu.edu. Early application is strongly encouraged as courses fill quickly. Applications are reviewed on a rolling, space-available basis when all components are received.

Shelton Challenge Leadership Camps. The First-Year Shelton Challenge is a six-day summer experience for rising freshmen, sophomores, juniors, and seniors in high school. Shelton's five cornerstones of values-based leadership—honesty, integrity, compassion, diversity and social responsibility—are the foundations of the camp. The core curriculum focuses on Personal Leadership Assessment and Interpersonal Dynamics, Role of Values and Ethics in Leadership, Leadership Traits and Approaches, Teambuilding and Empowering Others, Social Responsibility, Public Speaking, and Goal Setting.

The First-Year Shelton Challenge seeks youth who are **rising 9th through 12th graders** with a 3.0 grade point average (unweighted) or higher. Students will get to experience residence hall living, eat meals at a campus dining hall, and use indoor and outdoor recreation facilities. Cost to attend the program is \$700.00 for the week.

The Take II Shelton Challenge is a six-day camp for **past Challenge graduates** who are ready to use the foundation created from the first-year experience to build upon their own values-based leadership approach. Participants will dive deeper within the five Shelton Cornerstones to increase their level of leadership responsibility, conflict resolution, time management and decision making through hands-on project management. The camp will also focus on the following elements of leadership: how to build a team effectively; strategic visioning and planning; trustworthiness; loyalty; diversity and inclusion; public speaking; recognition; resource development; and leadership roles. Core leadership principles are addressed in the activities to help students discover their current style of leadership and their hidden leadership abilities. Reflection is a key component for each exercise and daily review. Students are placed in leadership roles and participate in a 360° evaluation conducted by the Coach, Mentor, Trainers (CMTs). Students will get to experience residence hall living, eat meals at a campus dining hall and use indoor and outdoor recreation facilities. Cost of program is \$700.00 for the week. For more information, visit <https://sheltonleadership.ncsu.edu/youth-shelton-challenge/leadership-camps/>

Broughton teens interested in learning about natural resources conservation in the great outdoors: Rising sophomores, juniors and seniors in Wake County high schools are invited to the 2017 Resource Conservation Workshop June 25-30 at North Carolina State University. The intensive week-long “**conservation camp**” introduces young adults to natural resources management with conservation professionals in various fields such as soil and water conservation, forestry, water quality, and wildlife. Space is limited and applications are highly competitive. For more information, visit <http://www.ncagr.gov/SWC/educational/RCW.html> or email Wake District at sbjones@wakegov.com.

The NC State Department of Communication & Humanities & Social Sciences is offering the third year of **Communication Summer Camp** July 17-21, 2017. The Camp is a **fully authorized Pre-Colleg Program of NCSU**. The Camp is designed for students who have an interest in television, from camera operation to news writing and features a full week of hands-on production experience that includes college-level instruction in writing and public speaking from NC State faculty. For more information, visit <https://communication.chass.ncsu.edu/academics/camp/>.

In late June, NCSU and the Confucius Institute are offering one-week Chinese language and culture day camps. This opportunity is available at two levels of study, so it will be appropriate both for beginners and for more advanced Chinese language students. More information about the Chinese camp is available at the following link: <https://confucius.oia.ncsu.edu/programs-events/ni-hao-wolfpack/#dates>

The **Oxbridge Academic Programs** offer programs in Barcelona and Paris designed to give participants intensive Spanish and French language classes at all levels – from beginner to advanced and even fluent. They also offer academic courses in Spanish and French, such as *Cultura y cocina*, *Barcelona y la cultura moderna*, *Histoire de l’Art*, *Sociologie*, and *Politique*, not to mention an array of academic and creative courses in English. By contrast, their programs in Montpellier, *L’Academie de France*, and in Salamanca, *La Academia de Espana*, are complete immersion, catering to students whose aim is to improve their spoken and written language. For more information, visit www.oxbridgprograms.com.

Do something amazing in Summer 2017. Sign up for programs offered in the **Oxford Royale Academy Summer School**. Choose from more than 60 study options. Make new international friends. Be guided by expert teachers. Enjoy a full extra-curricular timetable. **Live and study in Oxford**. For more information, visit www.oxford-royale.co.uk.

Rochester Institute of Technology [RIT] offers a six-day Summer Career Exploration Program for college-bound deaf and hard-of-hearing high school sophomores and juniors. Students attending the program can choose between two sessions: July 8-13 or July 15-20, 2017. The cost of \$700 covers room, board and program expenses. Transportation to and from Rochester, NY is the student’s responsibility. There are a limited number of scholarships available. Application deadline: April 30, 2017. For more information, visit www.rit.edu/NTID/EYF.

Rochester Institute of Technology [RIT] offers a Health Care Careers Exploration Camp for college-bound deaf and hard-of-hearing rising 10th, 11th, or 12th graders. The camp will be July 22-27 and interested students can apply at www.ntid.rit.edu/camps/healthcareers/apply. Room, board and other program costs are included in the camp fee of \$700. There are a limited number of scholarships available. For more information call 585-475-7695, 585-286-4602 [videophone] or email ntidoutreach@ntid.rit.edu.

Rochester Institute of Technology’s National Technical Institute for the Deaf offers a free summer program for deaf and hard-of-hearing students entering grades 10-12 in fall 2017 who live in Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina and Tennessee. The program includes activities, accommodations, meals **and a drone to take home!** The program is scheduled for June 18-23 and enrollment is limited to 40 students. The camp will be held at the University of Alabama in Huntsville, Alabama. Applications may be found at www.rit.edu/NTID/droidsanddrones. Deadline: May 15.

Are you a high school student already bitten by the writing bug? Do you write poems or stories, in class or out, but wonder how good they are, and how you could make them better? If so, check out the Young Writers Conference [July 2-15] offered at **Sewanee, the University of the South [TN]**. For 23 years now the Conference – ranked as one of the top five such programs in the country – has played host to aspiring authors, poets, and playwrights. Participants are rising 10th, 11th, and 12th grade writers. For more information, visit <http://www5.sewanee.edu/ywc/SYWCPPProgram.htm>.

Stanford University's Pre-Collegiate Studies offers programs for students in grades 7-12. Their programs offer highly motivated, intellectually curious students the opportunity to investigate topics not typically taught in secondary schools. Their newest program, Stanford Sports Business Academy, gives high school students an overview of careers in the sports and entertainment industries, with a focus on management, law, negotiation, marketing, and leadership. Other programs include the Summer Humanities Institute, Summer Arts Institute and Artificial Intelligence Laboratory's Outreach Summer Program. For more information and to apply, go online at spcs.stanford.edu/find-yourself.

Find your place in the sun at **SUMMER SYRACUSE!**. Experience college while you're still in high school. Participants can earn college credits, explore college majors, experience college life and receive instruction for Syracuse University faculty & instructors. Six week [6-credits programs, two week credit and noncredit programs and variable weeks credit and noncredit programs are offered. Programs are scheduled from July 3 – August 11, 2017..For more information, visit www.summercollege.syr.edu or E-mail sumcoll@syr.edu.

2017 Summer Camps are offered at Wake Tech. Visit www.waketech.edu/summer-camps to view and register for the most up-to-date camp schedule. Examples of camps include 3D animation for Video Games, American Red Cross Babysitting, Basics of Biotech, Cake Decorating: Beginning, Creating Cool Websites, Digital Sculpting for Video Games, Editing Photos using Lightroom, Engineering Technology, Fit 4 Life, Girls Raised in the Sciences, Level Design for Video Games, Math, The Common Denominator, Photography, Photoshopping, Public Safety Camp: Don't Drive Distracted, Robotics STEM Fun, Video Game Design and Video Game Engine Programming.

Middle and High School students are invited to continue on the path of academic success by attending the **Summer Experiences at Washing University in St. Louis**. Through the High School Summer Scholars Program, students have the opportunity to enroll in courses for credit and study alongside undergraduates. Participants live on campus in one of their top-ranked, air-conditioned residence halls. In addition to coursework, students participate in specialized seminars, academic support groups and a variety of weekend and evening social events. For more information, visit summerexperiences.wustl.edu

Searching for something new & exciting to do over the summer? Would you like to explore options in science, technology, or engineering? Check out the Frontiers and Launch programs offered at **Worcester Polytechnic Institute [MA]**. WPI Frontiers [Session I: July 9-21/Session II: July 23-August 4] is an on-campus residential, research, and learning experience for soon-to-be high school juniors and seniors. For more information, visit wpi.edu/+frontiers.
