PARENT ANNOUNCEMENT

Parent volunteers are needed for the "Reality of Money" event on Friday, November 18. The Reality of Money financial simulation allows students to make financial decisions about paying for housing, transportation and other monthly expenses as they are "transformed" into young adults with jobs and other responsibilities to manage. Volunteers will direct students as they move through various expense stations. There are three sessions and 30 volunteers are needed for each session. This is a very fun event for both students and parents, and it will not be possible without volunteers, so please consider volunteering for one or all three sessions! Lunch will be provided. Contact the Career Development Coordinator, Rebecca Davis (rdavis9@wcpss.net) with questions. Please sign up using this link: <http://tinyurl.com/realityofmoney2016>. Thank you for your support!

Do you like pizza? Do you like to volunteer? **Students and parents** are invited to join the Buildings & Grounds committee and help BHS look its best for Fall festivities. Pizza will be served at the conclusion of the work event. Meet in front of Holliday Gym **on Saturday, October 1, from 7:30 a.m. to 12:00 p.m.** Please bring rakes, pitch forks, blowers, shovels, wheel barrows or any yard tools. This is a great opportunity for students to earn community service hours. Contact Allison Jourdan at allisonjourdan@gmail.com for additional information.

Classes meet for 10 days after school from 2:25-5:25pm. Students must be at least 14 ½ by the first day of class. There is a required \$65 fee that must be paid by the first day of class. Students With Documented Disabilities: The College Board provides a broad range of accommodations to students with documented disabilities. Examples of accommodations include tests in Braille or large print, extra breaks between sections and extended testing time. Students who currently use accommodations in school, or have an Individual Education Program [IEP] or 504 Plan, **are not automatically qualified** for College Board testing accommodations. They still must apply for accommodations. Once the College Board reviews a request for accommodations, the student receives an eligibility letter. This letter indicates any approved accommodations and provides the student with a personal SSD Eligibility code that's valid throughout the student's high school career. Students who ever plan to take the PSAT, SAT, SAT Subject Tests, ACT or AP Tests **should begin the process early. See Dean Suls in Student Services immediately.**

Remember that the college reps visiting Broughton are usually the ones who will be processing your applications and reading your essays. Take advantage of these visits and sign up in the Guidance Resource Center [[Room 1209] to meet with them. It does mean that you will be missing some class time [never an entire period] so be selective! If you can't attend because of a scheduled test or lab, see Mr. Rudder afterwards to get copies of the handouts.

For those Broughton families interested in following Broughton Athletic Teams, go to: <http://broughtonsports.blogspot.com/>. Once you are there, you can subscribe to it and get all updates in your email box the morning after they are posted. If you have a Twitter account, you can follow it and get updates there as well.

Don't let **test fees** hold you back from taking the SAT/ACT or applying to college. Fee waivers are available to students for whom payment of SAT & ACT fees may be a barrier to testing and applying for college. Check with Dean Sauls in Student Services to see if you qualify.
