RECURRING ANNOUNCEMENTS

COMMUNITY SERVICE OPPORTUNITIES

Each Broughton student must perform 25 hours of community service per year; and students who perform an additional 25 hours during their four years at Broughton will receive a silver honor cord at graduation. The community service form may be downloaded from the BHS website.

Join fellow citizens and commemorate the 15th anniversary of 9/11 by volunteering during the 9/11 Weekend of Service coordinated by Activate Good with support from the City of Raleigh and Triangle Area Businesses. On Friday, September 9 and Saturday, September 10, businesses, groups, and individuals will honor those lost on 9/11 with volunteerism and acts of kindness at over 100 projects around the Triangle. On Sunday, September 11, a Commemoration and Service Event will conclude the weekend at the Red Hat Amphitheater. Visit www.activategood.org to register to volunteer.

Remember that the college reps visiting Broughton are usually the ones who will be processing your applications and reading your essays. Take advantage of these visits and sign up in the Guidance Resource Center [[Room 1209] to meet with them. It does mean that you will be missing some class time [never an entire period] so be selective! If you can't attend because of a scheduled test or lab, see Mr. Rudder afterwards to get copies of the handouts.

For those Broughton families interested in following Broughton Athletic Teams, go to: <http://broughtonsports.blogspot.com/>. Once you are there, you can subscribe to it and get all updates in your email box the morning after they are posted. If you have a Twitter account, you can follow it and get updates there as well.

Want a Student ID for 2016-17? Want your picture in the Yearbook? You must have a student photo taken on either of the following dates: Underclassman pictures will be taken **Monday, September 12th** during the school day. Although the ACT will be administered at Broughton on **Saturday, September 10**, both the regular registration deadline and the late registration deadline have passed. You can still try to test STANDBY by going to www.actstudent.org/start.

Don't let **test fees** hold you back from taking the SAT/ACT or applying to college. Fee waivers are available to students for whom payment of SAT & ACT fees may be a barrier to testing and applying for college. Check with Dean Sauls in Student Services to see if you qualify.
