

High School Math Resources

Invitation To Participate

Your Opportunity to Provide Input!

During the week of February 20th Community Input Sessions will be coming to each region!

- 4 HS Math sessions (Feb. 20th-23rd)
- 3:30-6:00 pm Teachers; 6:30-8:00 pm Students & Families
- Participants will choose their own journey – with demonstrations restarting every 20 minutes
- Approximately 1 ½ hours to see intro and demo of each product
- Participants will attend a 15 minute welcome/introduction delivered by WCPSS Academics before diving into the demos.
- Rooms will be setup for simultaneous demonstrations across vendors, with adjacent rooms set up with devices for self-exploration.
- Each vendor will be asked to demonstrate their content in relation to a culminating student task /project.
- Participants will have the opportunity to provide feedback via online & paper surveys.
- Vendors will be asked to present lessons & materials as a course within Canvas.
- Teachers will have the opportunity to explore and provide feedback.
