## PILLARS OF STUDENT EXPECTATIONS OF HERITAGE CITIZENSHIP

---

### THE HERITAGE STUDENT SHOWS:

**Respect** - high regard for authority, for other people, for self, for property, and for country. Understanding that all people have dignity as human beings.

**Integrity** - the strength to be truthful, trustworthy, and honest in all things. Acting justly and honorably.

**Self-Discipline** - hard work and commitment to purpose. Regulating oneself for improvement and refraining from inappropriate behaviors. Being in proper control of one's words, actions, impulses, and desires.

**Kindness** - considerate, courteous, helpful, and understanding of others. Showing care, compassion, friendship, and generosity. Treating others as one would like to be treated.

*Everyone has moments where we don't live up to these standards. One of our jobs as educators is to help students move towards these ideals and explain the RISKS of moving away from them.*
