

## FAQ's as provided by the Office of Magnet and Curriculum Enhancement Programs

1. Application process opens on January 10 and closes on January 31. Applicants may apply anytime during this period. It is not based on first come first serve.
2. If you applying from private, charter or home schooled register at your base school beginning in January in order to get a student ID number. For enrollment information visit <http://www.wcpss.net/enroll>.
3. You are allowed to apply up to five magnet schools; rank them in order of your choice.
4. If a school is capped, that impacts the base population only, not the magnet.
5. If you do not get your first choice, you will be assigned to the applicant pool for that school only. This pool will be processed early April if seats become available. You will receive an email to notify you when it will take place and then if you are selected.
6. If you are selected for a magnet school and you **choose to decline**, you must reapply to your base school through the transfer process Feb 20-Mar 6.
7. All magnet applications must be completed online. To do so you have to create a parent account.
8. You may be assigned to an express bus location if you are not going to provide your own transportation. **Check with the magnet office for clarification**
9. Selection is done through a weighted lottery by Priority Points determined by the following:
  - Siblings for returning students
  - **Siblings must apply** and are linked by address
  - Students living in a high performing area in order to create diversity
  - Students assigned to overcrowded schools
  - Priority given to 8<sup>th</sup> grade students within the magnet pathway **but you must apply**
  - 10% of seats are randomly selected
  - Transfer students who are currently at Enloe should try to apply as a magnet student
  - Applicants are randomly assigned a number and points awarded accordingly
10. Parents will be notified through their account on February 16.
11. Magnet feeder schools include: Martin, Ligon, Carnage, Moore Square and Zebulon.
