

Good Evening Eagle Parents, this is Dr. Chavis, the Proud Principal of the William G. Enloe Magnet High School calling with some very important updates:

Congratulations to our Football Team who had a victory against Bartlett Yancy on this past Friday! Way to go Eagles.

As a reminder, tomorrow, August 25 we will host our Meet the Teachers Event for all parents of students of Enloe. This event will begin at 6:00 pm and will last through 8:30 pm. Parents will get the chance to follow the schedules of their students and meet all of their teachers. Parents are asked to report to their student's 1A class as indicated on their schedule in PowerSchool. We will have staff available to support parents should you need assistance in locating classrooms or the schedule for your student. Please keep in mind that this event is exclusively for parents to meet and greet with teachers. Students will have the opportunity to meet their teachers on Monday, August 29.

Please visit our Enloe High website for information regarding our bell schedule, start and end times of the instructional day and all other reminders.
