

Good Afternoon Eagle Parents, this is Dr. Chavis, the Proud Principal of the William G. Enloe Magnet High School calling with your weekly bulletin:

I want to congratulate you and your students for an outstanding opening week of this school year. I was highly impressed with the level of student engagement in their classes, as well as their successful transition to the alternating block schedule. If this past week is any indication on how the rest of the year will go, then we will have an amazing school year.

For this week:

There is no school on tomorrow, Monday, September 5 for Labor Day. School will resume at normal operating hours on Tuesday, September 6.

During the course of this week, all underclassmen will have grade level meetings in order for administration to review school and district based expectations and policies. These meetings will occur during 2nd period. Seniors will have their grade level meeting on Monday, September 12.

On Friday, September 9, we will have an Early Release Day. School will end at 11:40. It is imperative that your child is off campus by 11:40, as the instructional team will go into professional learning activities immediately following the release of scholars.

What's Happening This Week:

Please visit our Enloe HS Website for our Athletic Events for the Week

At Home this week:
