

Parent Phone Message – Sunday, October 30, 2016

Good Afternoon Eagle Parents, this is Dr. Chavis, the Proud Principal of the William G. Enloe Magnet High School calling with your weekly updates:

October is National Arts & Humanities Month and we want to encourage your child to unleash their inner artist through PTA's Reflection Art Program.

Enloe Students "What Is Your Story?" Join us this year through the Wake County Reflections Art Program. Reflections is an arts recognition and achievement program that offers students opportunities to express themselves in six different art categories: dance, film, literature, music, photography and visual arts. Deadline for all entries 11/3/16, to be placed in the Reflections Art folder at the front office.

As a reminder, tomorrow, October 31 is the make up day from the school closure of Monday, October 10. Tomorrow is a regular school day and will be a B-Day. October 10 was originally scheduled as a B-Day, so tomorrow will replace that missed day.

Please join us on Wednesday, November 2 for our Fall Band Concert starting at 6 pm in the Auditorium. Come here selections from our scholar musicians representing the Concert, Symphonic and Wind Ensemble under the direction of Mr. Robert Hunter.

Scholars will receive their report cards from the first semester on Friday, November 4. The start of our second quarter begins on Monday, October 31.
