William G. Enloe Magnet High School

**Good Afternoon, this is Dr. Chavis, the Proud Principal of the William G. Enloe Magnet High School calling with your weekly updates.**

**This past week has been a busy, yet exciting week. Here are a few updates:**

**Charity Ball:** Congratulations to our very own Student Council, student body, teachers and community for a highly successful season of giving. Our Student Council presented Urban Ministries with a check for \$140,000 Saturday Night at Marbles Museum in Raleigh for the annual Charity Ball Event. The final amount exceeded the initial goal by \$20,000! Thank you students and teachers for supporting this amazing cause. Thank you, **Mr. Nate Barilich and Ms. Kelley Schroeder** (and many, many others) for leading this opportunity for our scholars! Outstanding work!

**Music Outreach:** Congratulations to the Enloe Music Outreach Club who performed at the Triangle Town Center on Saturday. Our scholars performed at this venue in order to raise money to fight student hunger in Wake County. The five groups which performed drew a sizable crowd to include Enloe faculty: **Ms. Tullettia Taylor (advisor), Mr. James Glass, Ms. Nicole Leonard, Mr. Joshua Mallory, Mr. Kendrick Scott (WCPSS Security), and Mr. Tim Wendling.** Hope to hear more from this group soon!

**Habitat for Humanity:** Not only are they performing on the hardwood, but our Men's Junior Varsity Basketball Team performed service to their community this past weekend. Members from the JV team gave up their Saturday to collaborate with Habitat for Humanity, while building teamwork, morale, discipline and support of their surrounding community. Thank you to **Coach Donovan Jackson** for spearheading this service learning opportunity!

**Band Concert:** Congratulations to **Mr. Robert Hunter** and the Band Program of Enloe for an exceptional performance last week. Holiday and Concert pieces were performed by the Concert and Symphonic Bands, as well as the Wind Ensemble. The finale was performed by the Marching Eagles as they reprised, for the last time, their field show. And kudos to the Jazz Band who participated in a performance on Monday night. Fine job!

**NCSU Chancellor's Visit:** On this past Tuesday, we hosted **Chancellor Woodson of North Carolina State University** (NCSU). His visit began

with a Meet-and-Greet and luncheon in our Media Center. Attending the luncheon and tour were ambassadors from both NCSU and Enloe: **Ms. Monica Sawyer, Mr. Chuck Small and Mr. Jackson Kinton**. We were then afforded the opportunity to visit with **Mr. John Lawhon's** Math 3 class, where Chancellor Woodson engaged with students about the content they were learning, the application of the concepts and its relevance. I was extremely impressed with the way by which students were able to explain the concepts, using specific, academic discourse, while confidently justifying their rationale to each other and to a room full of NCSU dignitaries!

This week:

Chorus and Orchestra Winter Concert: Please join us on Tuesday, December 13 at 7 pm in the Auditorium for the annual Chorus and Orchestra Winter Concert. Several holiday pieces will be performed to include Handel Messiah's "Hallelujah." We hope to see you there.

There is a home Basketball game against Wakefield on Monday (times: 5:30 pm and 7:00 pm) and Quad Basketball against Heritage on Friday (times: 3:30, 5:00, 6:30, 8:00 pm).

Continue to follow us on our school's website and Twitter and Facebook @EnloeMagnetHS for more updates, information, performances and athletic schedules.
