Good Evening, Parents, this is Dr. Chavis, the Proud Principal of the William G. Enloe Magnet High School calling with your weekly updates:

Beta Club Inductions: On Thursday, March 16, we will be inducting new members into the Enloe Chapter of the National Beta Club. This ceremony will begin at 6:30 pm and all are invited to attend.

Collaborative Round Table Discussion: Calling All Parents and Students, your presence and participation is being requested on March 28 at 6:30 pm as we have a collaborative meeting to engage in round table discussions on the Vision 2020 of the Wake Schools' Strategic Plan, community building with stakeholders, and academic programming at Enloe. You will not want to miss this!

School Improvement Feedback: The School Improvement Team would like feedback from parents on how to improve communication between the school and parents through a short survey. This survey can be found on the Enloe High School's main webpage. Hardcopies of the survey may be completed at the school, in the main office or in Student Services. Please complete this survey only one time. We need to Hear from YOU!
