Barnhill Contracting Company, in association with D.A. Everett Construction Group, has been selected as the Construction Manager at Risk for the Wake County Public School System's M-11 Apex Friendship Middle School project and will be conducting the following MWBE Informational Session. You are encouraged to attend the following session to learn more about project participation opportunities available to you.

These seminars will help to: Learn about the project and the scope of the bid packages; Inform and train Minority/HUB contractors in preparation for bidding this project; Assist in registration on the State of North Carolina Vendor link; Stimulate opportunities for Networking with other firms.

## PROJECT DESCRIPTION

This project consists of the new construction of the M-11 Middle School for Wake County Public Schools constructed on a new site of approximately 27 acres, located at 7701 Humie Olive Road, Apex, NC 27502. On-site and off-site construction shall consist of grading, storm drainage, utilities, site improvements, paving, landscaping, and fencing. The new building is a 234,539 SF, 3-level middle school with shallow CIP concrete foundations, structural steel and load-bearing masonry structure. The building envelope primarily consists of brick veneer on CMU masonry backup with 2-1/2" insulation and Mod bit roofing over lightweight insulation concrete system. Typical building interiors include CMU partitions, GWB partitions and assemblies, acoustical ceilings, PLAM casework, painting, flooring, and building specialties.
