

**WCPSS Long-Range Building Plan**  
**Projected Student Population Distribution by Municipal Sub-Region (using + 1% CIP projection)**  
**OR/Ed. Lab, ITRE @ NCSU, Centennial Campus - June 16, 2006**

The student population projections shown are a **distribution** of Wake County Student Projection Model (+ 1% CIP version, November 29, 2005) according to current county and municipal Land Use Plans. The projected populations are summarized by 38 Sub-Regions defined by municipal Urban Service Area (USA) or by municipal or geographical districts. Non-urban areas are aggregated as Wake County. Please refer to the OR/Ed. Lab document [Technical Description of Phase II](#) for details regarding the methodology and assumptions of the distribution model.
