

# FOCUSED ENVIRONMENT FOR ACCELERATED LEARNING

*Wake*  
**Early College**  
*of Health and Sciences*

The **Wake Early College of Health and Sciences** is a great new opportunity for rising ninth graders in the Wake County Public School System. Students can earn their high school diploma while earning free transferable college credit or earn an Associate of Arts, Science or Applied Arts Degree from **Wake Technical Community College**.

A first of its kind in the nation, the **Wake Early College of Health and Sciences** is a partnership of the **Wake County Public School System**, **Wake Technical Community College (WakeTech)**, and **WakeMed Health & Hospitals (WakeMed)** and offers students a totally unique educational experience. The **Wake Early College of Health and Sciences** provides its students learning experiences that begin in the classroom and extend to real-life laboratory environments that provide hands-on training to further their learning beyond the classroom.
