¹ Standard CTE Postassessment results are reported as percent proficient based on scaled scores; Proficiency = 77 or higher.

² Third Party tests are CTE Postassessments developed by industry and align to course blueprints and industry standards. Proficiency = scaled score of 70 or higher.

³ Local Test (Local Option Courses and tests developed by WCPSS); Proficiency = scaled score of 77 or higher.

*Local Test in 2008-09; Third Party Test in 2009-10

**Standard Test in 2008-09; Third Party Test in 2009-10

Two-Year CTE Postassessment Performance Summary by Affinity Group: 2008 - 2010
