## Defining School Wide Expectations

### Process:

- List problem behaviors.
- Identify replacement behaviors”\ (what do you want them to do instead?)
- Categorize replacement behaviors.
- Create a generic set of replacement behaviors.
- Identify your top 3-5 school-wide expectations.
- Have a method for making expectations easy to remember (acronym, alliteration, etc.).
- Complete the Expectations Self-Check.
- Prepare to share your SWE ideas.
