Dear \_\_\_\_\_,

\_\_\_\_\_ has signed up to be a "Bulldog Buddy" this year with your child, \_\_\_\_\_. A "Bulldog Buddy" is a staff member who will be one more caring person from our school to promote your child's social and academic success.

I'm looking forward to this opportunity to work with your child.

I give my child permission to participate in this program for the school year of 2007-2008.
