

# What Can Do For Me?

Google Docs\*\*  
<http://docs.google.com>

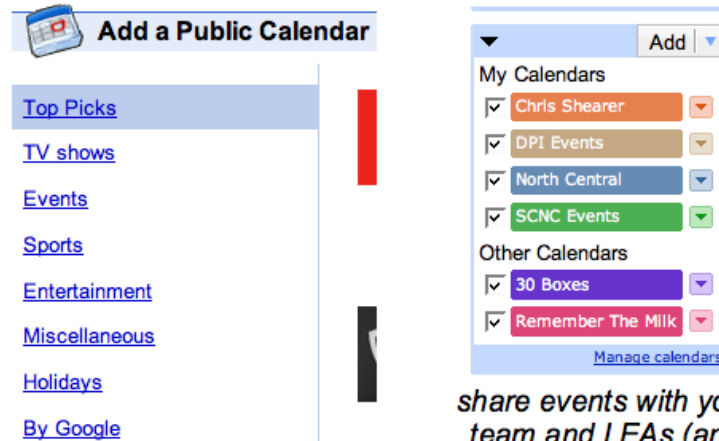

Collaborate and share:  
-documents  
-spreadsheets  
-presentations

*familiar controls and toolbars*

Google Calendar\*\*  
<http://www.google.com/calendar>

*share events with your team and LEAs (and family!)*

*Add calendars created by others*

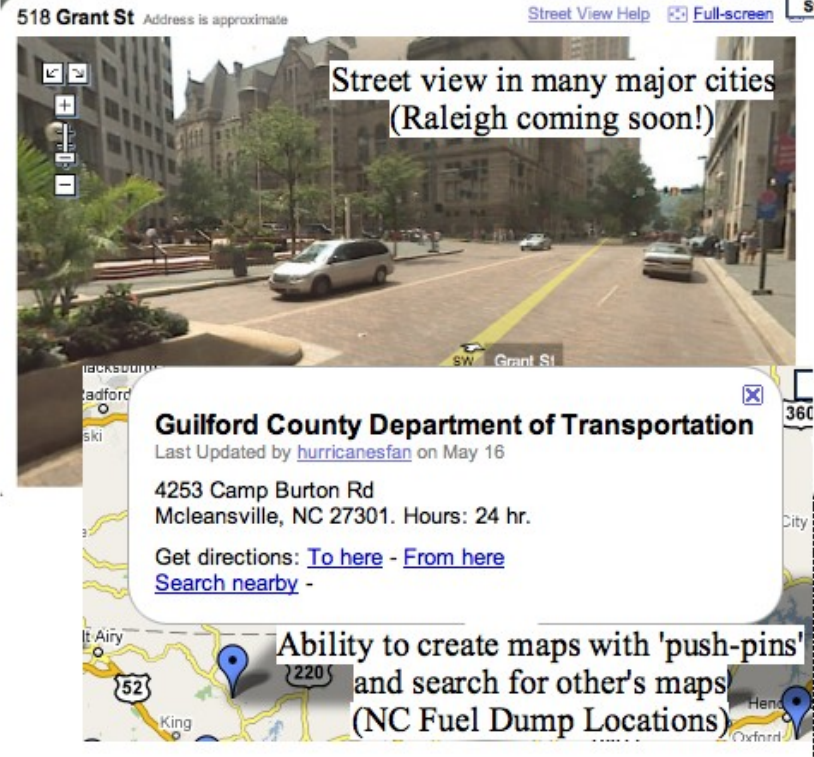

*quick access to daily, weekly, and monthly calendars for printing*

*Even More Google Goodness at: <http://googleweb2.pbwiki.com/googletools>*

## Google Maps

<http://maps.google.com>

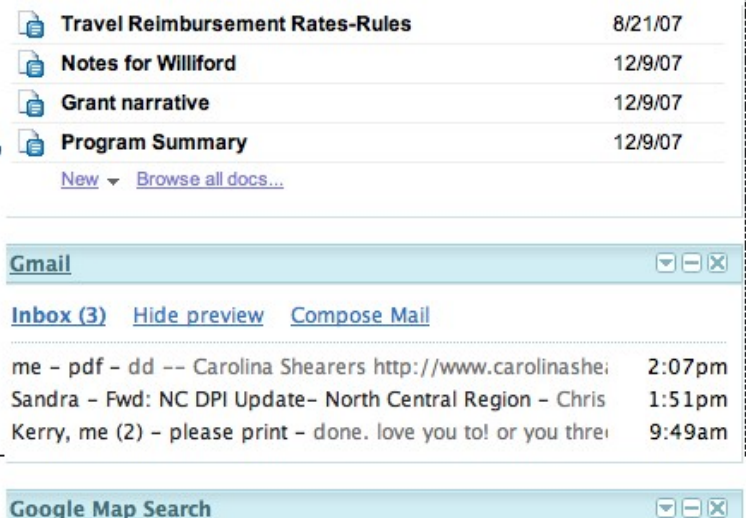

- saved driving directions
- a variety of user created maps

## iGoogle Personalized Page

<http://www.google.com/ig>

- organize all your Google Tools (Calendar, Docs, etc)
- add 'widgets' (stocks, games, news, etc)
