

2007-2008 NC FCCLA State Projects

Whistle While You Work

Seven little helpers certainly could help as you embark on your own journey through community service. Join our team to learn about skills and volunteer projects which will lead to improving your community! Whistle while you work as you experience areas that will make your community a better place. (Community Service)

Spots to the Rescue

Overcoming those "spots" in life that tend to "ruffle" family relationships can be difficult. It's time to put Cruella aside and focus on strengthening family bonds by participating in the national program Families First. (Families First)

FCCLA Forever Land

Are you a leader? Do you feel like your lack of Leadership skills have caused you to "lose your shadows?" Then follow me, Tinker Chelle, to FCCLA Forever Land, to learn how to be a "Leader at Work," through "Dynamic leadership!:" (Dynamic Leadership)

It's The FCCLA Race of the Century!

It's an all-out race for success! FCCLA members ... Start your engines! It's time to race for the Piston Cup of FCCLA, FCCLA Success. But, you have got to know the "FACTS" of the FCCLA streets to win. Not only that, you have got to have the right "Student Body" to achieve success. Are you ready for the challenge? Come with me, I'll show you the way to win the FCCLA success trophy. (FACTS and Student Body)

Taking membership to infinity and beyond

Join the toys on a mission led by Buzz Lightyear to increase chapter membership! You are an important crew member! This workshop is more than an mission, it will be an adventurous high altitude learning experience. (Membership)

The Big STAR Adventure

Come join Christina Robin, Pooh, Tigger and the whole gang to experience the road to stardom through financial success as they take action to make, save and spend money wisely. (Financial Fitness and STAR Events)

Adviser-to-Adviser

Advisers get the latest information on STAR Events and all the latest updates from the national office.
