SUBJECT: Huskins Cooperative Program Agreement Review for FY 2007-2008

Dear Dr. Scott,

The System Office staff reviewed your Huskins Cooperative Program Agreement to offer courses to high school students at Wake County Schools for the 2007-2008 school year. The review indicates all courses are appropriate to offer to high school students as elective courses above the Basic Education Plan required courses and are approved effective July 6, 2007.

It is the college's responsibility to assure courses are offered in accordance with the North Carolina Administrative Code rules and the guidelines approved by the State Board of Community Colleges and published in the *Operating Procedures Manual for Enrollment of High School and Intellectually Gifted and Mature Students in Community College Courses and Programs*. You may view this manual at <http://www.ncccommunitycolleges.edu/Programs/>. If you have questions, please contact Ms. Victoria Richard, Research Assistant, or Mr. Ken Whitehurst, Associate Vice President, Academic and Student Services, at the System Office.
