

Organizational Development and Support

ODS Mission

The mission of ODS is to enhance and design organizational systems and structures that promote student success.

ODS Vision

ODS collaborates across the district ensuring that all students and staff succeed in safe environments, all resources are used strategically and employee learning enhances professional performance. ODS is recognized as being instrumental in all students graduating on time, prepared for the future.

ODS Values

To achieve WCPSS goals, we:

- collaborate with our colleagues and stakeholders,
- commit to honesty and transparency in all our work,
- use relevant data, best practices and research to drive decisions, and
- engage in on-going learning opportunities.
